FORM CRS

Cornerstone Financial Planning, LLC is registered with the Securities and Exchange Commission as an investment adviser and, as such, we provide advisory services rather than brokerage services. Brokerage and investment advisory services and fees differ and it is important for you, our client, to understand the differences. Additionally, free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](https://investor.gov/CRS), which also provides educational materials about broker-dealers, investment advisers, and investing. This document is a summary of the services and fees we offer to "retail" investors, which are natural persons who seek or receive services primarily for personal, family, or household purposes.

What investment services and advice can you provide me?

We offer the following investment advisory services to retail investors: Financial Planning Services; Portfolio Management Services; Pension Consulting Services; Selection of Other Advisers; Educational Seminars/Workshops; and, Asset Allocation Services. For a description of each service listed above, refer to our Form ADV Part 2A disclosure by clicking the following link <https://adviserinfo.sec.gov/firm/brochure/129656>. Refer to Items 4, 7, 13 and 16.

Account Monitoring If you open an investment account with our firm, as part of our standard service we will monitor your investments on a daily basis.

Investment Authority We manage investment accounts on a **discretionary** basis whereby **we will decide** which investments to buy or sell for your account. You may limit our discretionary authority (for example, limiting the types of securities that can be purchased or sold for your account) by providing our firm with your restrictions and guidelines in writing. We also offer **non-discretionary** investment management services whereby we will provide advice, but **you will ultimately decide** which investments to buy and sell for your account. You have an unrestricted right to decline to implement any advice provided by our firm on a non-discretionary basis.

Investment Offerings We provide advice on various types of investments. Our services are not limited to a specific type of investment or product.

Account Minimums and Requirements In general, we do not require a minimum dollar amount to open and maintain an advisory account; however, we have the right to terminate your account if it falls below a minimum size which, in our sole opinion, is too small to manage effectively.
