Ms. Russo came to HQ to report harassment and threatening messages through Instagram. She stated that a mutual aquaintence named, Mariah, sent her messages stating, "i will kill you,i will smash yur face, I will find someone to hurt you if I can't find you". The messages were all sent yesterday around 1pm and have stopped since. Russo responded with telling her that she has no interest in her boyfriend and do not flirt with him. This is the first incident of harassment thus far and Russo was advised to report any additional messages to the police. She was advised of her 258E rights.
