Ms. Waraki came to HQ to report harassment by a neighbor, Ikram Cherridon. Waraki staed that Ikram has been coming around her residence, video recording her outside of her home and on the side walk. She records her and the children. According to Waraki, Ikram is harassing the whole neighborhood. There have not been any threats made, but Ikram is constantly walking around yelling at neighbors and not leaving when asked or told. Waraki stated that this is all unprovoked. Waraki was advised to report any additional incident and bring 3 incidents to court to apply for a 258E, if needed. Waraki has reported this incident with the housing authority.

Calling party was previously in the Revere Police Station to drop off her ex husbands mail. While the rp was providing the front desk officer with her ex husbands phone number she accidentally called in while in view of the front desk officer and the front desk cameras. Rp was concerned because they each have a 209A against each other and she did not want to violate the terms of the order. The front desk officer contacted the ex husband and advised him of his items at the station.
