Ms. Galimberti came to HQ to report that her upstairs neighbor is harassing her. Galimberti stated there is an ongoing issue between her and Joe Giannone. Giannone is constantly creating loud noises and yells frequently. Galimberti has notified the landlord, Eric Starble, of the frequent incidents of disturbances. Starble has spoken to Giannone but the disturbances continue. Recently, on 12/31/24, she informed Starble about laundry being done upstairs at 11:30pm, and it being extremely loud and unpeaceful. Starble spoke to Giannone and that caused Giannone to lash out at Galimberti yesterday. Galimberti was taking her dog back into the building, and Giannone started yelling at her saying, "mind your own business you fucking fat lesbian", along with other verbal insults. Giannone stated, "why did you have to call the fucking landlord?!".

Galimberti was advised to report any additional incidents to the police, and apply for a 258E, at Chelsea District Court.

r/p texted into 911 stating there is a white or silver sedan occupied 1 time unsure what make or model, r/p stated that they see the vehicle park there every night and takes off around 2am. caller believes the person occupying the vehicle has been looking into other vehicles in the area and attempting to break into them.

Narrative: **01/02/2024 2345 Dutra, Cristiano**  
Rp did not see the person in the vehicle attempt to break into any vehicles or even exit the vehicle and there has been no reports of break ins in the area. Parties simply sitting in there vehicles in front of a home does not warrant police response as noted in multiple emails and policies issued by rpd.

Narrative: 01/04/2024 2331 Bonavita, Giulio

Pamela Dellorusso called to report she was hurt by a storm door in her back yard and when she came out of the hospital to go home she realized that locks to her door were changed because she was supposed to be home by 10 p.m. and didn't get home until 10:10 p.m. She stated this happened yesterday but is now staying at her Uncle's house. I advised her to go to East Boston Court and/or call her landlord for an explanation about the locks and call an attorney about injuries from the storm door. She stated she will go to court in the morning about her injury and the changing of her locks. Some of her statements were confusing and did not tell me where she was currently staying.
