Narrative: 01/05/2026 1834 Damore, Michael

Spoke with Kim via phone. She wanted to pass along the fact that someone rang her doorbell on 10/26 with a delivery for Mark. Someone did the same thing today at 5:53. She told delivery driver both times that no one named Mark lives here and that she has lived at this apartment for 5 years. She thinks it might be tied to a possible poison candy incident from Halloween. Kim/ RP stated she did not need a response and that she simply wanted this tip passed along.

Narrative: 01/05/2026 1835 Damore, Michael

I have spoken with Kim numerous times in the past. She seemed fine over the phone.

A Party came to the station and dropped off items that are to be returned to Martha Paquette (DOB:11/23/1953). The items returned today were a stipulation in her recent court case and were dropped off at the station. Martha is disabled and unable to come to the station to get her items. OIC approved for Officer to bring the items to her home at 382 Ocean Ave #506. I spoke with Martha and she is expecting an Officer. She stated to buzz #992 and then hit the call button and she will be able to buzz the officer into the building. The items are a walker, cane and a bin with music books inside.

Narrative: **01/06/2026 1641 Duca, Joseph**
Ms. Elalam came to HQ to report that she is receiving phone
calls from businesses throughout the Quincy area ranging
from cosmetics to hair salons, job opportunities, hospitals

and other establishments. The phone calls from these businesses came in 2 weeks after her ex-boyfriend was served with a restraining order. She believes that her ex-boyfriend, Daniel Nkwah, submitted her phone number to these businesses in an attempt to harass her with spam calls. Ms. Elalam wanted this incident on record. The calls started today at 9:10am and went until 2:24pm.

She also received a phone call from a number (781-476-3842) on her domestic violence issued survivor phone from a "Maria" who did not speak english, and she heard someone in the back ground talking to her.

RP stated that she finds it suspicious that she hasnt recieved any EZ pass statements since May 2025. She states that is the only mail she still has as a physical paper copy and feels it could be her EX Partner by the name of Daniel M Nkwah somehow preventing her from recieving this mail. There is no proof of him at or near this location. She was told to document anything she feels suspicious. She currently owes EZ Pass over \$1000 but did not know due to not recieving the paper statement. There is an active 209A in place.
