Narrative: **01/06/2025 1256 Dupont, Michael**
A male party identified as Kirk Edward Delaney walked in to the Revere Police Station to on January 6, 2025 to report a civil matter. Kirk stated he allowed his friend who is identified as Courtney Dietz, to stay at his residence at 19 High St under a verbal agreement. Kirk states Courtney broke the agreement by violating certain contingencies regarding drug use in the home, as well as making disturbances with music. Kirk Stated he has children and that Courtney's behavior is not suitable to continue living there. Kirk gave Courtney a notice to quit on January 3rd, 2025, stating the reasons for eviction are: Irreconcilable differences, No rent payments has been asked for or received, and you have been staying in our home as a guest and are no longer welcomed. Courtney is given until January 17th to vacate the premises. Kirk stated that Courtney has verbally expressed that she is not willing to leave. Kirk would just like it documented that he will be attempting to trespass her and go through this issue civilly.

FP came concerned on the wellbeing of her child. She just dropped her of to her father Charlie Chiquillo. Today is his day to have her but when dropping her off she noticed his hand was bleeding and wrapped in bandages. also there was glass on the floor and blood on the floor. She wants a officer to accompany her to check on the wellbeing of her daughter because she does not feel that she is safe there due to what she saw. She will be waiting outside the residence for an officer.

 While at the Shirley Ave substation, Mr. Feltus came in and reported that he was helping a female party out with a place to live by letting her stay in his apartment. Recently she left the apartment. She tried stating that Mr. Feltus stole her food stamps. Mr. Feltus declined this claim. She has since threatened to slash his tires. At this time, Mr. Feltus does not wish to pursue this matter. He only wanted to document this incident. I advised Mr. Feltus to obtain a 258E with Chelsea District Court.

 Ms Aleo stated that she filed for unemployment on November 27th of 2024. Her unemployment claim was denied because someone has been using her social security number with a different employer named (Anthony's restaurant group llc out of Rosindale) and is currently working. Ms Aleo does not and has never worked for that company. Ms Aleo contacted that company who confirmed to her that she has never been employed with the them. This has caused Ms Aleo to not be able to collect unemployment and she was advised to file with her local police department. Ms Aleo has reported this fraud with all the required agencies.
