Ms Spera stated that around 3pm today she lost her engagement ring(20000 Dollars) while she was parked at pump 1. She remembers having it in her lap. After she pumped gas she realized she did not have the engagement ring and she went back with her parents to check the area. This took about 10 min from when she left.

Mr Jordan Rivera stated that he is helping translate for Ms Iris Avelar about an ongoing issue with her landlord named Jesse Powers. Today they went to court to file a court motion to get the rest of her belongings from the home. After court, they went to speak to the landlord to give him the new court motion like they were instructed to do by the court. The landlord told him to get off his property before he calls police. They were unable to serve him the motion. Ms Alelar was advised to get a constable to serve the paperwork.
