Calling party was advised to call Revere board of health, Revere Inspectional services, or his landlord. The calling party then called 911 requesting the fire department write a report for the same issue. He was advised once again to call the above services to which he stated he already did. The party was then offered medical aid multiple times due to his claim of the dust making it difficult to breathe to which he denied. Narrative: 02/07/2025 1740 Resic, Kenan  
Works for UBER, stated that at approximately 0200 hours this morning, he gave a ride to a black male party and two of his friends after picking up in Waltham. The black male party started to antagonize him while he was driving. He placed his hands on him and told him he would beat him up after they got out of the car. When Mr Stiven got to one of the apartment building on Ocean ave, the black male party grabbed him by his sweatshirt and pulled him. He then told him you better cop that plea. Thats when Mr Stiven made space between them and stepped out of the vehicle. The black male party stepped out too and ran around the vehicle towards Mr Stiven. Mr Stiven in self defense believing he would be assaulted delivered one punch to this black male party who collapsed to the ground. The other 2 male parties got out and told him that he was just joking and that he was not going to assault him. The friends of the male party picked him off the ground and carried him inside the apartment. Mr Stiven stated all the individuals were intoxicated. Mr Stiven just wasnts this on record and does not want to pursue charges.

 Narrative: 02/10/2025 1035 Duca, Joseph  
 Mr. Hajjar came to HQ to report that his tenant gave him a  
 money order for \$2500 for rent. Hajjar deposited the check  
 in his Bank of America bank account with no issue. Three  
 days later the bank withdrew the money because there were no  
 funds from the bank check available. The money order was  
 purchased at PLS check cashing, in Revere. Hajjar needs  
 this report to bring to PLS so they can investiagate the  
 reason as to why there were no funds available.

Ms Lopez is reporting that someone has thrown snow on her car to the point where she has a hardtime getting her vehicle out. She is disabled and has a hard time cleaning the snow. She believes one of her neighbors did this on purpose to harass her. This is now the third time this has happened in the last few weeks. Was advised to call Police to the area if it happens again to speak to the neighbors.

Well being check called in by a concerned friend. His friend who is a 19 year old female had been staying in homeless shelters around the Boston area. When she could not find a place to stay she joined Still Waters Church due to them offering her food and shelter. The female party was advised she could not have contact with anyone outside the church however the rp was in contact with a church group leader. However the church group leader no longers answers any text or calls and he has not spoke to the female in 5 months. The rp called the church locations in Nashua and Seabrook who advised him the main church is this location in Revere. The rp called the revere location and spoke to a pastor who advised him he does know the church leader and they would contact the rp back the next day which was 3 days ago. Rp is concerned for the female parties well being as she has no family or friends in the area.
