Rp states his vehicle was towed from Lynn by Action Towing. Rp was there earlier today attempting to retrieve his vehicle and some kind of verbal altercation occurred over the vehicle and according to rp who he believed was the manager threatened him with a firearm, rp stated he was shown a black grip of a pistol. Rp is on his way down from Lynn and does not feel safe retrieving his vehicle without a police presence.

Rp was advised to call when he is a few mins out from the establishment and to not approach them without officers present.

from him or did not provide the correct amount to him and  
was claiming it was unarmed robbery or lacerary by the atm.  
I began to explain to him that it would be neither and that  
he need to contact the finacial instituion and he became  
even more irrate and stated he was going to take someones  
money, he was advised that would be illegal and continued to  
yell over me. I advised him it is not a police issue and he  
needs to calm down and he disconnected.
