Above MV was observed travelling west on Squire Road when it failed to stop for the red light at Charger St. intersection. I initiated a MV stop after activating my emergency blue lights. CLEAR, CITATION ISSUED

Narrative: 02/27/2024 1754 Carey, Patricia

I, Sgt. Carey, was in full K9 uniform, operating my assigned unmarked K9A unit with K9 Tek and K9 Echo. I was on Bennington St. northbound and at the Donnelly Square traffic light. The light turned green allowing northbound Bennington St. traffic to proceed. It was at this time, I observed a gray Honda sedan take a left turn from the Wintrop Ave right turn only lane to Bennington St against the red light for eastbound Wintrop Ave traffic onto State Road northbound. I activated my emergency blue lights and initiated a MV stop with the vehicle on State Road. Operator presented his license and registration upon demand and he was informed of the reason for the stop. Operator stated that he was an Uber driver and got confused due to his GPS system. I issued Citation #T3117545 for the civil infraction of red light violation and given a verbal warning for improper lane change, seat belt violation and window tint. Operators license and registration were returned when he was given his citation.

Male party called in regarding an issue involving his son and baby momma. Female party gave him a difficult time about dropping off his son and said she would call the cops and claim he kidnapped him. She would not come downstairs to pick up her son or let Brian in the building. There is no custody agreement in place. I advised this male party to call Lynn PD (where he lives) to have them put a call entry in their system about this as well.

Narrative: **02/28/2024 1948 Resic, Kenan**

Ms Cerbone stated that she legally divorced from her husband named Joseph Cerbone. As part of the divorce, she has ownership of a home in Wilmington for 13 years. A short sale had to be done on the home with the bank and Ms Cerbone was suppose to be sent a check for 5000 Dollars. The closing attorney office appears to have made a mistake and sent the check to her ex-husband to his address here in Revere. Mr Cerbone signed the check and also signed her name and deposited it with Bank of America. Ms Cerbone spoke to her ex-husband last night and he told her he would give her 4000 Dollars and he would keep 1000. Ms Cerbone is reporting the forgery of her signiture on this check as she has not signed this check.

Narrative: 02/28/2024 2346 Kingston, Jeffrey  
Mr. Surface was contacted by an employee in regards to a blue liquid that was dumped onto the drive-thru ATM at St. Jeans Credit Union (171 VFW Parkway). I evaluated the aforementioned liquid, it appeared to be some sort of dye, it is not spray paint. The liquid is on the ATM, the surrounding wall, the safety bollard, and the canister in the drive thru. Two juveniles wearing masks and all black clothing were observed dumping the liquid onto the ATM. Due to their faces being completely covered it is unable to make a positive ID on the juveniles. The case # was created for insurance purposes.

Mr. Mendez reports that his apartment door is broken and can easily be pushed open. On Monday, 2/26/24, his door was left open and it appeared as someone went through his apartment and his belongings. He states nothing was stolen but states

that his landlord stated he went inside for a wellness check as the door appeared broken open. It should be noted, Jean stated that he is being evicted although the landlord has not served him any paperwork through the courts. Jean was advised to go to Chelsea District for further assistance with the alleged eviction being done to him.

R/P arrived at the Revere Police Station for custody exchange with his ex wife Khadija at 10:00. Khadija did not show up and gave R/P indication the night before that she would not be coming to agreed custody exchange. I attempted to contact Khadija and was unable to reach her by phone and requested she return my call at the Revere Police station. i advised the R/P that he should return to court and determine custody exchanges be modified and be able to communicate through court monitered messaging. I advised R/P that io would generate a call log entry for him documenting the event.

Party came into the station to report threats of someone coming to his house Monday. The reporting party and the party making the threats got into a heated discourse on Facebook. The party making the threats was using the screen name "Moor Threads" and referring to the reporting party as a white supremacist. The reporting party was advised to call 911 should anyone show up and that we will increase our presence in the neighborhood. He is more concerned because his children's names were mentioned in the thread. He will retain the FB Messenger texts.
