Ms Brea is here with her daughter to report that they are being harassed by another tenant that lives with them named Cesar Restrepo (47 years old). For the last month and a half, the harassment has started after they told the landlord that he smokes marijuana. The land lord wants him out and now there is issues in the house. The home is a single family house and they share a common kitchen area. The live on separate floors but are in close proximity in the kitchen and the common area in the house. They were advised to call Police in the future and continue to file reports for harassment. Advised of their 258E rights. At this time there is no threats or violence just continued harassment.

Narrative: **03/12/2025 1349 Damore, Michael**

Spoke with homeowner, Rosa. She said everything was fine but that she has had problems with her downstairs tenant. Rosa told me that the people living there are not the people that she rented to and that there are people coming and going at all hours of the night. She believes there is possible drug activity going on. Car in the driveway matches that of the person listed on the rent check Rosa receives every month. Rosa said she would have more info for me at a later date. I will follow up with her on Saturday, my next shift in. I will document everything in an OF on my follow up on Saturday. For right now, alarm activation was accidental. I helped her reset it

MA Plate 4NFP49 came back active to a 2020 Black Grand Cherokee Jeep but the plate was on the 2021 Gray BMW. A query of the vin of the Gray BMW did not come back with no record but it did not come back stolen.

I secured the plates 4NFR49 due to them being active to the Jeep and it is not known how the plates were placed on the BMW.

The legal registered owner will be able to pick up the plates from me at the Revere Police Station.
