Narrative: 03/18/2025 2109 Damore, Michael
Brianna came into the station to report ongoing issues with her next door neighbor, a Cathy Frederick. Brianna stated the issues have been going on for years, most of it stemming from problems involving their dogs barking. Brianna showed me texts from Cathy from earlier that stated that Brianna was calling the police/fire dept for fraudulent reasons. Brianna said this is ongoing harassment and asked me for her best next steps. I advised Brianna that I would call Cathy in an attempt to resolve some of the issues... I then called Cathy and spoke with her regarding Brianna. Cathy admitted that the issues stem from barking dogs and there were steps she could take to help prevent them from barking. I told Cathy it would be best not to text or call Brianna and limit her interaction with her... Brianna called back later to see if I got in touch with Cathy. I told her that I did and advised her about my conversation with her. I also told Brianna to try and limit communication with Cathy and to report any further issues to the police.

reports that last night he left his CVS bag containing RITALIN medication inside the shopping carriage in side Target. This occurred at approximately 1815 hours. He poked Target loss prevention and they stated after checking the cameras that they could not see into the area where he left it. The shopping cart was left outside where you place the carts back. He realized when he got home that he did not have the medication. He came back to Target within 30 min but the medication was gone.

Ms. Joyce Gochakowski came to HQ to report that her neighbor Lynn Luongo is continuing to harass Joyce and her family. The latest (3rd) incident happened on Sunday, March 16th. Joyce was outside of her home talking with a neighbor. According to Joyce, Lynn was sitting on her wall (47 Howard) with her dog and began yelling a swearing at her, saying how her house is "trailer trash" and other rude comments. Joyce's daughter pulled up in front of the house with her granddaughter and Lynn continued to yell and be rude. Joyce's daughter told Lynn to watch her mouth cause there was a kid in the car. Lynn then yelled, "what kind of mother are you? Leaving her with "this one", meaning Joyce. Then Lynn made a comment about Joyce being drunk and on drugs when she walks her granddaughter around the neighborhood.

Joyce was advised to take her three documented incidents to Chelsea District court and file a 258E against Lynn.

Narrative: 03/21/2025 1746 Dutra, Cristiano
Vehicle moved to a proper parking spot and a parking ticket
was issued.

Narrative: 03/21/2025 2033 Carey, Patricia
Attached MV was observed double parked with hazard lights on
stopped in front of Woody's Liquors on Broadway. There was a
second vehicle also double parked in front of the attached
MV facing southbound on Broadway. I activated my blue
lights and air horn and the front vehicle moved away. The
attached MV did not. I notified Revere Dispatch that I was
off with the vehicle, which due to it's position prevented
one MV from leaving a legal parking spot and obstructed an
MBTA bus causing it to move across the double yellow line.
As I was issuing a Parking Ticket #1000400257 the operator
came out. I handed him the parking ticket and advised that
he needed to move his vehicle to legal parking spot, which
he said he would. Clear parking ticket issued.

Narrative: 03/23/2025 0238 Carey, Patricia
While moving a large group of approx. 70 vehicles out from the rear of the Suffolk Downs shops, I observed a group turn east from Tomasello Way onto Revere Beach Parkway. As I followed them in my unmarked K9 cruiser w/emergency lights activated, I observed approx. 10 vehicles run the left turn

red light located across from 205 Revere Beach Parkway. The last vehicle, a black Dodge pickup, to run the red light made a U-Turn back onto Revere Beach Parkway westbound. As the vehicle executed the U-Turn, I observed black smoke coming from the tires indicating a "burn out" and excessive speed during the turn. I reversed direction and activated my siren to conduct a MV stop of the black pickup. As I moved behind the truck, I observed no tail lights indicating that operator did not have his headlights on. The operator of the pickup, MA Reg. 4MEM63, a 2012 Dodge Ram pickup, pulled over safely at Revere Beach Parkway at Campbell Ave. The operator presented his license and registration upon demand. The operator and his passengers were cooperative. The operator was issued MV Citation T3117551 for a red light violation. The operator was issued a verbal warning for smoking of tires and no headlights.
