Narrative: **03/19/2024 2027 Damore, Michael**  
Male party came into the police station regarding ongoing verbal abuse from his ex wife. Male party also reported that she installed cameras in his apartment over 2 years ago. Male only speaks Spanish. Through the language line, male party was advised to uninstall the cameras in his house and give them back to his ex wife. Male was primarily concerned that his wife was calling him derogatory names in front of their son. I advised him that his ex was not breaking any laws in regards to the derogatory names and verbal abuse. I stated multiple times to uninstall the cameras to put an end to any recording that may be going on. Party is going to go to Chelsea District Court in an attempt to get a harassment order against his ex. Log entry at this point given the lack of crime and extended timeline of the incidents.

MEET FEMALE OUT FRONT OF THE BANK W/F WHITE SHIRT, WALKED INTO FIRE HQ SHE STATED SOMEONE HAS HER PHONE IN THE BANK.

Narrative: 03/20/2024 1020 Melendez, Joel
Ariel and i walked upstairs to the recovery office and spoke with the staff.

The staff member explained to me that part of her agreement to be in their program was that she could not have her phone of computer.

The staff member gave her the option to either stay but not have access to her phone or go discharge herself from her sober house. Ariel chose to leave and was handed her phone. She was not given her prescription medication due to her returning to a sober living home with prescription medecations but was advised that she will be given her medications when she goes and formally discharges herself from the sober house she was at.

Ariel will return later for her medications, peace restored clear.
