Father (victor) who resides in dorchester came into the Revere Police Station stating his 15 yr old daughter Daniella is always leaving the house whenever she feels like it and not coming home for days at a time and he believes she is using drugs and alcohol. She was last picked up at 216 Malden Street in the past. DCF is already involved, her cell is not working, and the mother who lives in Revere will not come to the Station because she is working and gets out at 11 according to the Father and this is too late for her to come to the staaion to make a report so he was aksed to come by. A MP report has not been filled yet.

Narrative: 03/28/2026 0826 Mclaughlin, MW, Michael
While on another call for a parking oomplaint I observed a
red SUV with a partial of JXR49 passing another vehicle at a
high rate of speed at 174 park ave. This road is one lane
going either directions. The red SUV crossed over the solid
double yellow lines to pass this other vehicle. When I
returned to my cruiser and actived my blue lights. I
observed the SUV going down a side street. When I reached
the side st the vehicle was gone. a few minutes later I was
on broadway when the SUV passed by me going northbound. I
turned around and pulled the vehicle over. The operator
explained to me that the car in front of them "cut" them off
in the lower part of Broadway. They followed the car onto
park ave in a possible road rage incident, Then passed them.
The operator of the SUV claimed they were going down park
ave because that was there original route, but immediatly
returned onto broadway
