Brandon came into Revere police HQ to report that his rental plate lost/stolen. He does not know whether it was lost or stolen. He has already reported it to the UBER Hertz rental who will come into the station this week to report the plate FL Reg#45DZHN lost/stolen. Brandon just wanted this to be reported so he does not get into any trouble in case the plate was used in a crime. Brandon has checked the video footage at his apartment and show nothing suspicious. So he believes it may have been stolen at his frineds house in Quincy MA or fell off at some point during the drive. Nothing futher to report at this time.
