**Narrative: 03/31/2025 1011 Duca, Joseph**

Mr. Bonarrigo came to HQ to report that some sort of projectile struck the top of his MV. He was parked on Garfield Ave. when the incident happened. The damage appears to be from an unknown object that fell from the sky. The object appeared to have struck the roof at a downward angle, from the rear of the vehicle. There was a gooey substance on the windshield, indicating that it may have been organic in nature. The object left a dent and a scratch just above the windshield.

Bonarrigo was advised to contact his insurance company.

Mr.Noftle came to HQ to report that he received a letter from the law offices of Michael Ira Asen, P.C. stating that he was involved in an incident at Kohl's in Burlington, MA. The letter stated that he was involved in a retail theft, fraud or other wrongfull appropriation of money and/or property.

Noftle attests that he has never been to a Kohl's department store in his life and does not know what this letter is all about. Noftle contacted the law office and informed them that his name and info must have been used without his knowledge in an unlawful way.

I advised Noftle, and he has checked his credit recently and there has not been any fraudulent activity.

 Willie came into Revere Police Headquarters to report that  
 an 'Alex Lee Robinson' was able to open a credit card with  
 Truist Bank using Willie's social security information.  
 Initially, 'Alex' was making the payments on the account.  
 However, he then stopped. Truist Bank then contacted Willie  
 in regards to the account. This was when Willie found out  
 the account existed. Currently, there is a balance of  
 \$15,000. According to Truist bank, Alex lives in Atlanta. I  
 advised Willie to contact the social security office in  
 regards to his identity being compromised. I also told  
 Willie to report the issue online at IC3.GOV.
