Narrative: **04/09/2025 1836 Resic, Kenan**

Modified By: **04/09/2025 1855 Resic, Kenan**

Ms Panico stated that Ms Lorena Lanza has continued to  
harass her via phone even after Officers yesterday told her  
to not communicate with her (refer to case#25-20407). Ms  
Panico stated that this is about a dog that she gave to Ms  
Lanza for adoption. Ms Panico also stated that Ms Lanza and

her husbands have made social media posts talking about her. It should be noted that they did not name Ms Panico or give any identifying information about her. Ms Panico was advised of her 258E rights. Officer Resic called Ms Lanza who stated that she is not harassing her. They have signed a contract where Ms Lanza has to check up on the well being of the dog. Ms Lanza stated that yesterday she felt intimidated by these other men at her apartment. These men told her that "Do you know who I am". Ms Lanza was afraid to sit with these other men and felt threatened and called the Police. Ms Lanza was advised that continued communication with Ms Panico could lead to a harassment order. Ms Lanza understood and stated that she will need to communicate regarding the puppy she had Ms Panico adopt. Ms Lanza stated that she has a written contract.

While patrolling the area of Bennington St. near the  
Beachmont school, I observed a white MV with it's hazards on  
near the entrance to the school parking lot in the  
northbound break down lane. Two females and one male were  
attempting to change the rear passenger tire. I assisted  
them in changing the tire. The male party also sustained a  
small cut to his finger. I helped clean the cut and  
provided a band aid to cover the cut. The tire was changed  
and parties went on their way. Clear.

Reported as a hit and run, report to follow

Narrative: **04/10/2025 1619 Lucero, Paul**  
Franco reported a vehicle had backed into his car but the operator only gave him a phone number. Franco was able to get a photograph of the vehicle with plate which he said was a neighbor of his.

I was given a number of the operator's daughter where I was able to talk to her over the phone. I was informed by the daughter that they had told Franco that if he would provide a price for the damages the would pay for them. I explained to her that after a crash license information and registration information are to be passed. I told the female party to reach out to Franco again and give him the information as to a license and registration. I also explained to her that if Franco wanted to go through insurance then that what would happen.

I called Franco and explained to him the result of my call to the daughter.

This to be referred to the insurance companies unless information is withheld. I noted that the owner of the vehicle which collided with Franco's vehicle was not the operator.

Narrative: **04/11/2025 1214 LEPPERT, KATELYNNE**  
called in by a bus driver out of the North Hampton NH lot of the First Student Bus Company looking to make a log entry regarding an incident that occurred today between approx 10:30am and 11:30am. C/p states that when she exited Price Rite, a vehicle was parked directly behind her bus which she found to be suspicious since there were numerous other spots open to park in. At this time there was and is no sign of forced entry but c/p is concerned that some of the backpacks located in the back of the bus were tampered with or stolen. c/p is unable to obtain footage until arriving back to the NH lot to which she will make contact with Revere Police if the footage does turn up with anything. Log Entry Only.

Narrative: **04/11/2025 1218 LEPPERT, KATELYNNE**  
Description of vehicle provided by caller: D4419, unknown if MA REG or not. C/p stated she thought it was a Toyota and then mentioned the model as Impreza. Plate provided does not come back to a Toyota or an Impreza.

male party called in on the business line and immediately asked how long the call taker had been a dispatcher then proceeded to talk about people harassing him and when asked for his location so an officer could go speak with him about the alleged harassment he refused to provide his location or identify himself and got verbally aggressive towards the call taker. male rambled on about how he didnt need to provide his location and that the police need to stop harrassing people and their stupid friend (dispatcher) doesn't need to know his location and him being asked that is misconduct and would result in the loss of dispatcher job. male party was wished a good rest of his day and the call was ended.
