rp came into station to report that his vehicle is being
held by an autobody shop located at 1608 north shore road.

rp states body shop over charged him on repairs and that
they do not want to return him his vehicle. I advised him
that he would need to pay the remaining amount owed to the
bodyshop and he said he would not be paying them any more

money. In total RP has paid \$2,300 and bodyshop is demanding \$2,800.

I spoke to H&J Bodyshop on the phone, They stated that they had a written agreement for the repairs and dollar amount that will be done on the vehicle.

Boris stated that he will be going to court on the matter and I advised him the shop can hold his vehicle until he pays for repairs done on his vehicle (garage keepers lien)

Female party called regarding an issue with her prescription
not being filled with the correct amount prescribed. FP
advised me she called on sunday and spoke with someone who
informed her it would be passed along to the detectives

unit. I spoke with detectives and they advised me they were not involved. I attempted to call the FP back to advise her that she already took the proper precautions by reach out to CVS and making them aware of the matter.
