 Rp is in the process of getting a divorce from his wife and is receiving harassing text messages from a Colombian phone number demanding he sign papers to extend a contract on a property that the both of them own in Winthrop located at 15/17 Revere Street. Last Thursday he received a picture of a property he used to own in Colombia and was told by an old neighbor that someone was looking for him. He wanted this on record in case the messages become threatening. Rp believes this is being done at the direction of someone his wife is familiar with.  
 Both parties have legal representation and were advised to communicate through their attorneys going forward as this is a civil matter
