Narrative: 04/15/2024 1021 Duca, Joseph
Mr. Arizandieta called and would like an officer to come to his home and speak with his aunt. His aunt was walking his 3 year old son in the neighborhood and a minivan pulled up to them. A female began to ask questions about his son and at a point, got out, and began to approach the two of them. The aunt thought the woman was going to take the child, so she ran into the 7-Eleven, near Broadway. She saw the woman drive away, and then she went back to 38 Taft. The aunt is Spanish speaking but Mr. Arizandieta will translate.

Mr Wang stated that yesterday around 5pm they noticed passenger side damage to their parked vehicle (MA reg:3CEN57). Mr Wang noticed that the vehicle parked next to him (Ma reg:1GF833) had driver side damage. He noticed red paint transfer from that vehicle to his own. Mr Wang left a note today at approximately 1143 hours on the windshield of the Red vehicle. They did not receive any call and today between 1700 hours to 1900 hours they noticed now that their rear bumper had green spray paint splatter. Mr Wang stated that this might be retaliation.

MV STOP -- WRONG WAY IN THE TURN AROUND

Narrative: 04/21/2024 0001 Stewart, Christopher  
CLEAR, VERBAL WARNING

Narrative: 04/21/2024 0212 Carey, Patricia  
While in the U-Turn lane for Revere Beach Parkway (eastbound), I observed a MV at intersection of Albert Ave and Revere Beach Parkway (westbound). MV was then seen proceeding south across Revere Beach Parkway (westbound) and down the U-Turn lane for eastbound Revere Beach Parkway traffic turning westbound and east onto Revere Beach Parkway. There were several MVs that had to stop as this vehicle came down the U-Turn lane the wrong way. I turned on my emergency blue lights and initiated a MV stop. The operator was informed of the reason for the stop and a demand for his license and registration was made. The

operator stated that he had just dropped someone off and was unfamiliar with the area. While there is no "Do Not Enter" sign at this location, it was clear due to the curvature of the U-Turn lane that the operator was travelling in the wrong lane. The operator was given a verbal warning and informed that there is a U-Turn location at the 1A on ramp light that should be utilized in the future.
