Calling party called in regarding a scam call. Stated that the 'DEA' called him about an arrest report of his out of Texas. the DEA stated that it was for drug activity and money laundering. The 'DEA' then transferred him to the Texas US Treasury Dept who told the CP to take all of his money out of his account and go to the Shell station on Broadway where someone would pick the money up. The CP found this suspicious and did not do it. He stated that the person he spoke with identified himself as Marcus Griffin, the Operations Manager at the US Treasury in Texas w phone #845-335-4736. I advised the calling party to block this number and to report any other phone calls he receives. Log entry only at this point.

 someone other than the owner. Thomas called and verified his
