R/p states she received a phone call from a party claiming that they were border patrol. When she called back it came to a insurance claim number. The border patrol agent claimed they intercepted a package with 9,000 worth of cocaine with her name on it. The only information they asked for was what bank the R/p used and the account balance.

ONE OF THE TENANTS OF THE SOBER HOUSE. STATES THEY WERE

Narrative: **05/01/2025 1426 Gomez-Catano, Alejandro**  
 102 spoke with calling party who explained that the first floor tenants are using the residence as a sober house under the registered name of "Todisco sober homes". Calling party stated that this has caused possible health issues as they believe they are "bed bugs" on the first floor. Calling party also wanted to report that they do not feel safe with the constant people that go in and out of the residence. 101 explained to the calling party that they need to relate this matter to the landlord and informed the landlord to start an eviction process with the Chelsea District court if he wishes to do so. Cameras were not damaged and appeared to be in good working condition. She was explained that this is a civil matter. Services rendered

Mr Connolly stated that he tried to send back an Ipad that was fraudulently sent to him. The package was sent back stating that the return address that he was given was not an an returnable address. Mr Connolly stated that when they call customer service with xfinity they keep being bounced around with no solution. They continue to be chagred for something that they did not order. Mr Connolly was asking about what to do in a case like this. Officer Resic advised him that he might have to consult an attorney or file a buisness complaint with the attorney generals office.

Ms Connor has been outside of the apartment for the last  
several hours. She is concerned about her dog and her friend  
named Angelina Resto who lives inside the apartment. They  
spoke last night and Ms Resto told her she can come by to  
pick up her dog today. Ms Connor can hear her dog but no  
answer at the door or phone when calling Ms Resto. Send an  
Officer for a well being check.

Male party came into the station to report possible ID fraud from VA and FL. He was advised to file report online at IC3.GOV as well. He has not incurred any loss as of right now. Steven told me that someone opened a bank account in his name out of Virginia (Steven was able to call the bank and close the account). Someone was also trying to attach Steven's social security number to a property in Florida. I advised him to contact social security and report the incident as well. Log entry only.
