 Ms. Waites came to HQ to report harassment against the first
 floor neighbor, John Ciano. The following are the most
 recent incidents:

1. Approx. 5 days ago Ciano yelled at Waites because her kids were being loud and stomping. he called her a cunt and told her that she was a piece of shit mom.

2. In October, her fiance's car was vandalized by a different neighbor, and Ciano came out and yelled at him and spit in his face, while trying to attack him.

3. In September Ciano called her kids stupid and got in her face, screaming at her, calling her a bitch and a broad.

4. In August Ciano got aggressive with her and her fiance in the hallway and said, "those fucking kids..what the fuck is so funny", as they were walking up the stairs to the apartment.

5. Ciano tried to apologize to her for calling her a cunt and then said she was still a bitch and a broad.

6. Every day Ciano is outside screaming at her for something.

7. In May her daughter was crying in the hallway about her toy and claimed that he thought I was leaving her outside by herself.

8. In June Ciano was yelling at her about where she parks her car on the street. A seperate issue was the same thing with her fiance when Ciano got in his face.

Waites was advised to apply for a 258E at Chelsea Court.

Narrative: **05/07/2025 1653 Resic, Kenan**
reporting that her and her husband are getting phone calls
over the last several days from 781-929-8135 in which a boy
is telling them that he is in trouble and needs help. When
she asked him his name and where he is he hangs up on them.
When she called back she could hear other young boys talking
and one of them told her to Shut up. Ms Villatoro believes
this to be scam calls. Officer Resic requested Lt Romboli
assistance in checking the phone number. LT Romboli provided
a owner of the phone as Ada Alicia Alvarenga. Officer Resic
called back Ms Villatoro. She stated that she just received
a return call from that number and they apologized. The
person claimed his little brother was using the phone. When
Officer Resic asked Ms Villatoro stated if she knows Ada
Alvarenga. She stated that she did and that she will give
her a call and resolve this matter. She has a good
relationship with her and it must be one of the kids calling
her.

The homeowners called at 1930 requesting an officer respond
because they thought someone broke into their home and
tampered with their smoke detector as well as stole a
package off of the front porch. When asked for the address,
the homeowner was informed that the fire department
responded to their home today for report of alarms sounding
and that they(Winthrop Fire Department) were the ones who
entered the home. The homeowners were satisfied to know that
it was the fire department and not a complete stranger. As
for the missing package, the c/p was advised to file a
report with the Winthrop Police at their station.
