Ms. Russo came to HQ to report that her upstairs neighbor, in apt. 37 is allowing her pitbull to urinate on the balcony, which then drips down onto Russo's cat climber, that is multi-tierd and enclosed. The urine would sit on one of the tiers for long periods of time. The urine also drips down onto the astro-turf, patio furniture and any other item that happens to be on Russo's patio. Russo has

reported the incidents multiple times in the past 6 months to management, but she has gotten no help from them. Russo was advised to take this report to management and implore them to do something about it.

Russo also wants to speak with the animal control officer because she believes that the dog is being abused.

On May 6th Mr Kollet parked his 2019 Hyundai Tucson (RI reg:lAR721) at the hampton inn while he flies out to Ireland. Mr Kollet came back today and found that his vehicle is gone. He called state police who advised him that his vehicle was involved in some sort of BB gun incident. Officer Resic queried the plate number and found that Danvers PD ran in several times this morning. Officer Resic contacted Danvers PD who confirmed that they have the vehicle. Case#25009726. They advised that several individuals were arrested. The vehicle hit the Target building in danvers and the ignition was damaged. Mr Kollet had no idea all this occurred since he was out of the country until he just landed in the last 2 hours.

Narrative: **05/13/2025 1827 Marks, D, Daniel**  
Modified By: **05/13/2025 1833 Marks, D, Daniel**

RP = Ashley Anderson (DOB: 08/27/1988) came into the station to report a possible 209A violation against her ex-boyfriend/childs father, Jesse Lewis (DOB: 08/20/1991). Ashley presented a Facebook Post, that included their daughter (Audrianna Lewis - DOB: 1/1/16). Jesse commented on the post, which was made from another parent whos daughter is also on Ashley and Jesse's team. One of the terms was to no contact the daughter. The comment reads "How is Sam and #6 looking?". Ashley informed me that #6 is the number that their daughter wears while playing softball.

Narrative: **05/13/2025 1831 Marks, D, Daniel**  
Although one of the terms is to not contact the daughter, directly or through 3rd party, there was no direct or indirect communication with the daughter in his comments on the Facebook post. The threshold for violation was not met and there was no violation at this time.

Narrative: **05/13/2025 1831 Marks, D, Daniel**  
 Ashley will be reaching out to Chelsea DC tomorrow to advise them of Jesse's behavior and about a possible modification to the current 209A Order.

Narrative: **05/13/2025 1842 Marks, D, Daniel**  
 It should also be noted that Jesse has violated the terms of Ahsley's restraining order multiple times. In our in-house system, it shows that Jesse has violated the new 209A Order 3 different times. 25REV-15-WA, 25REV-70-WA, and 25REV-99-WA. There are also multiple other violations in IMC for Ahsley's previous 209A Order against Jesse.

reporting that she has been staying long term in the holiday inn since December 2024. She told them that she would be staying for 6 to 12 months. They agreed that they would charge her 110 dollars a day. Ms Linardon is disabled and requires handicap access shower which this unit has. Ms Linardo stated that has caused no problems there and has treated the staff well including giving gifts. In April she was told that her daily rate would go up to 149 dollars a day. Ms Linardon disagreed and told them that she would like to negotiate the daily rate. Suddenly on May 1st they increased the daily rate to 219 dollars. Ms Linardon showed email communication that shows that figure was never even in the discussion. Ms Linardon has already filed in housing court regarding this matter. Ms Linardon also stated that she found that she has been double charged certain days over the last few months. She was also charged tax and occupancy fees which are not suppose to be charged when someone agrees for longterm occupancy. The lawyer for the hotel has been sending her emails telling her that she has to pay this higher rate. The staff has turned off her card when she needs to access the unit. She has to keep telling them to turn it back on. Ms Linardon has suffered medical issues due to the harassment that she has gone through. She collapsed in housing court and was taken to the hospital about a week ago. Ms Linardon was advised that this is a court matter but she can call Police if there is issues in the Holiday inn.

Location/Address: [REV] 610 PARK AVE @ 125 WASHINGTON AVE  
Narrative: **05/14/2025 1644 Resic, Kenan**  
reporting that he had a road rage incident at approximately 0820 hours in the morning today. Mr Bochetti was turning left from park ave in his green color Toyota camry on to washington ave towards Chelsea. A white subaru blew through the red light coming from washington ave and Mr Bochetti hit the horn. This upset the male driver of the white subaru who stopped his vehicle in the middle of the road, and got out of his vehicle. He started to take pictures of Mr Bochetti car and started to flip the middle finger at him. The driver then drove off. This incident was seen on the city camera system. Unable to make out the plate of the white subaru. This incident will be recorded in case this turns into harassment later.

 A PLS Money order sent via mail on March 8th for the march 2025 rent. On May 1st they received the rent bill and it still listed that march was not paid for. They checked with PLS cashing and found that the check was cashed on March 24th. Mr Graustein confirmed with Revere housing that they have not received the check. The check appears to have been stolen. The check was cashed at a bank of america for the amount of 737 dollars and its made out to Revere Housing Authority. Unknown how this was allowed to be cashed. The checked appears to be unedited.

Mr Cantino called the front desk where he asked in Chief Callahan, which he called him an asshole. Mr Cantino was told to set up an appointment to speak with the chief. I told him not to refer to the chief like that but Mr Cantino continued to disparege the chief. I disconnected the call as Mr Cantino would specifically mention a complaint that he needed help with which I could assist him with.

Narrative:	<b>05/16/2025 1905 Carey, Patricia</b> While checking the fire lane at the Wonderland Market Place, I observed two MVs parked in the fire lane at the eastern side of the complex. I activated my emergency blue lights to help move the vehicles out of the fire lane. The vehicle parked in front of the Hook N Reel moved, however, a white BMW, MA Reg. 4RNL95, parked with it's hazard light on in the fire lane in front of the trampoline park did not. I activated my air horn to alert any occupants of the BMW to move out of the fire lane, however there was no response. I walked up to the vehicle and found no one inside the MV. As I was issuing the parking ticket, I was approached by the operator and issued Parking Ticket 1000400258 in hand for the fire lane violation...clear.

Mr. Bono called the station to complain about cars double parking on Ocean Ave. On Ocean Ave, in the rear of the Ryder Building (21 Revere Beach Blvd) and the front of 90 Ocean Ave. Mr. Bono called to complain that delivery trucks were double parking and making it difficult for vehicles to get by. I offered to transfer him down to the OIC to dispatch a few sector cars to the area, but he refused to speak with the OIC. I then offered to contact the East Side units to go by that area, but he refused and hung up the phone.
