R/P entered HQ lobby to report that his ex-wife was parked in front of the station after they had a child custody exchange. Was concerned about her intentions after court order specified each parent should drive away after the exchange. He did not want to file a report, after he noticed she finally drove away from the area. Ex-wife Kimberly Digaetano then called HQ with the same complaint, but did not want to file a report. She said she will be notifying probate court about her complaints about the child custody exchange and complaints about her ex-husband's time spent with their children.
