Brian Cosco came into the station to report harassment from his ex-wife's new boyfriend, a Dustin Polonia. Brian stated that Dustin gave his mom, Patricia, a hard time yesterday in regards to Brian spending time with his daughter Madison on father's day. Dustin swore at Patricia and was disrespectful. When Brian dropped Madison off later in the day, Dustin had words with him and told him he that he called the cops on him (which he did not). Later in the night, Brian received multiple texts from Dustin that essentially stated Dustin would make his life difficult in regards to seeing his daughter and getting him arrested. No threats at this point. Brian wanted this documented in a log entry in case he has to get a harassment prevention order at a later date.

RP called in to state that his neighbor from 205 knocked on the door to his apartment (It should be noted that RP rents a room inside apartment 202). RP was inside his room and the neighbor spoke with landlord. Landlord claimed that neighbor was looking for the RP. RP believes this is harassment. RP called in yesterday stating that the neighbor is also spraying air freshener under the door to apt 202 and it is bothering RP due to him having COPD. I advised RP that these issues are civil and/or need to be addressed with management. He wanted a log entry to document the issue.
