reporting that her son is being harassed by 2 girls he used
to be friends with prior to april of this year. The girls
names are Carina De Jesus (15 years old) and Melodie Moorer
(17 years old). Yesterday, her son checks Carina's tiktok
and sees that she posted a video of him where he was doing
silly stuff when they were 14 years old. The messages then
says to Direct message to get more. Mr Stone reached out to
Carina's mother regarding this video. As a result, the page
has gone private and is no longer visible. Parents were
advised of their 258E rights for their son. They will pursue
this matter in court.

Custody exchange - Martin came into the station around
12:15pm. Asked if I could call Kelly to pick their
daughter, Alani, up early. She agreed. She was here at
approximately 12:35pm... Kelly told me that the reason
Martin wanted Alani picked up early is because Alani does
not want to go to Martin's house. According to Kelly, the
custody agreement states that Martin and Alani are allowed 4
hours Saturday and Sunday to spend time together in a public
place. Kelly said when Alani refuses to go to Martin's
house, Martin yells at her and then comes to the police
station for Alani to be picked up early. I asked Alani why
she did not want to go to Martin's house. She cited the fact
that Martin has drank alcohol and smoked in the house in the
past.

I advised Kelly to bring up her concerns at court during
their next custody hearing.

rp states mp attached came knocking on his door yesterday around 7:00AM and asked the rp about a family member that has been deceased for five years. mp began talking about past memories with the rp and some of his statements were not making any sense as they were all over the place.

rp told him to leave and later that evening around 10pm, rp walked out to his foyer to lock the front door and found an Irish book with the first three pages handwritten by the mp of their interaction earlier that day and a brown paper bag.

rp wanted this incident documented as it was unsettling to him.
