Narrative: 08/05/2024 2303 Resic, Kenan

Mr Keddouri stated that he borrowed Ms Hasna Drissi 4500 Dollars on 07/27/2022 due to her needing money to pay for her moms medical bills with the agreement that she would pay him back. Mr Keddouri stated that since then she keeps pushing off paying him back. She did give him a check dated for 07/27/2023 in the amount of 4500 Dollars. When Mr Keddouri tried to cash the check at Citizens Bank, he was told by the teller that she does not have enough money to cover the amount listed on the check. Mr Keddouri took the check back. Since then he has been trying for Ms Keddouri to pay him back but she has not done so. The last message exchange they had, she told him to take her to court. She advised him to not contact her anymore or she will take out a restraining order and a harassment order.

Above MV was observed exiting Davis St. turning south onto Broadway. It was at this time that I observed the MV had no tail lights but the brake lights did come on as the vehicle slowed at an intersection. This indicated that the headlights were not on. At the Broadway and Cushman Ave intersection, the vehicle sped up and was clocked at 45 mph on Broadway. I turned on my emergency blue lights and siren and caught up with the vehicle at Broadway and Park Ave where the vehicle pulled over in front of 374 Broadway. Operator did not realize that his headlights were not on and did not believe he was speeding. Operator was in route to work. Operator and vehicle were both active. Operator was given a verbal warning...clear.

Narrative: **08/11/2024 1624 Resic, Kenan**

On June 31st he purchased a 2011 Nissan Versa for 2500 Dollars. He bought the car from a man named Sebastian Catano. He handed Mr Betancourt a title that has been signed as a dealership Unique Motor Sports out of Lynn with no sell date written. He also gave Mr betancourt a bill of sale from the same dealership without a date and seller signature. When Mr Betancourt went to register it this past week. He was declined by the registry of motorvehicles. The reason given appears to be that the dealership has been listed as dissolved by a court order by the mass secretary of state website in 2021. Mr Betancourt was advised by the RMV to get his money back from the dealer. The guy who sold it to him told him that he has been at the hospital and that he has nothing to do with this. He also erased his Facebook profile a few days ago.

RP's wanted on record that their son has been receiving several phone calls from a Suffolk County Jail number (617-830-7686) with an unknown male on the other end stating "hey baby."

I advised the RP's to block the phone number as it is most likely a prank caller and if it continues to come into the station to file a formal complaint.
