**Narrative: 08/26/2024 1018 Lucero, Paul**

Andres Durango came to the station to seek video for a motor vehicle crash which occurred at Walnut Ave and Beach St on 07/11/24.

I informed Mr Durango that the video cameras had recycled after 30 days. I was told by Mr Durango that the other driver called the police but he did not know why there was not a response.

I logged in the crash and attached both operators which was provided by Mr Durango.

**Narrative: 08/28/2024 1057 Lucero, Paul**

A Mustafa (904-295-2743) left a message that the Chief passed along to me. After speaking with Mustafa, it sounds that Action may have wrongfully trespass towed his vehicle from Wonderland Marketplace (towed on 8/13, MA Reg #2ZMC48). Mustafa told me that he had been at Planet Fitness at the time his vehicle was towed. When he went to retrieve his car, Action informed him he was towed due to trespassing. When Mustafa told them that he was in Planet Fitness, Action told him that it was parked in the Fire Lane. Mustafa denied being in the Fire Lane. Action stated that they had a picture of his vehicle in the Fire Lane but denied him the right to see it when he asked them for proof. Action charged him \$1100 for the trespass tow. I advised Mustafa to attempt to speak with the property manager and/or small claims court given the excessive dollar amount for a tow.

Narrative: **08/29/2024 2335 Carey, Patricia**  
 Attached MV was observed travelling east on Webster St. The MV took a right from Webster St onto Revere Beach Blvd travelling southbound. This section of Revere Beach Blvd is a one way street northbound. As the vehicle passed me, I turned on my emergency blue lights and siren to initiate a MV stop. The vehicle pulled over. The operator presented her license, registration and proof of insurance upon demand and was advised of the reason for the stop (One way violation). An RMV check of the status of the vehicle showed that it was expired as of the last day of April 2024, which also showed on the registration presented. The operator was advised of the status of her registration and advised to renew it on line if possible. The operator was issued Citation #T3117549 for C90 s16-On Way Violation and C90 s9-Unregistered MV. The vehicle was towed by Action. Tow sheet was completed and operator was advised of the procedure for release of her MV.

reporting harassment by an ex-neighbor named Francisco  
Arteaga. He came by the house and sent a love letter to her  
yesterday. This man used to be a neighbor she used to live  
with over a year ago at 54 Amelia Place in Revere. This man  
has been contacting her since she left. He has come by her  
new address. She has told him she would call the cops if he  
comes back. Ms Chirinos was advised to call Police in the  
future if he comes by the house. Once a spanish speaking  
officer becomes available a phone call will be placed to Mr  
Areteaga to stop harasing Ms Chirinos.

Ms Corrales stated that her ex-husband named John Jairo Candamil used her personal information to open up a target credit card in July of this year. They received a call from target stating that they believed this credit card was opened up fraudulently. They confirmed that her ex-husband opened this card and made 312.09 dollars worth of purchases. Target has closed out the card and determined it to be fraud.

Party came into police headquarters to report that she is being harassed by a neighbor who was taking pictures of her while she was in public. This is one of the parties involved in the verbal altercation reported earlier (SEE call # 2451139). RP was adamant that we force the other party (unknown at this time) to delete the pictures she had taken. It was explained to RP that there is nothing unlawful about taking a picture of someone in a public setting. RP was not

satisfied with our response.

Narrative: **08/29/2024 1503 Gergerian, Sarko**  
 Party was told that the situation she shared would be noted in a dispatch log entry. She was happy with the matter as it currently stands being logged in the system as such. She will file a log - incident request form if she needs the notation. She was advised.
