-ON 09/01/2024 I Officer Builes was working the Lido detail 11:00 pm- 3:00AM with Lt Impemba. We were notified at some point that a female identified as Luz Yaima Medina noticed a male party idnetfied as Oscar Guerrero who she has a restraining order against was in the club. She waited out front while we found the male party and the male party was cooperative and left with no issue. This was not an intentional violation and it was explained to the RP that it was a chance encounter and confirmed that the male party did not make any attempts to contact the female party.

This log is being generated now as the RP came to the station and requested a log of the incident stating her lawyer told her to get one

RP spoke to both myself and the supervisor.

Narrative: 09/04/2024 1346 Duca, Joseph
Ms. Ally Ciano came to HQ to report suspicious texts from an

unknown party. On Sept 1 and 2, her mother, Corinne, received a text from someone asking for her daughter, Sydney's, phone number. Corinne asked who it was, and the response of "hey this is my new number can I get Sydney's number". Corinne ignored the text. September 1, Ally received a text from someone asking for Sydney's number. Ally ignored the texts. Kasey, a friend called the number, and nobody answered. Then the person started texting Kasey, thinking it was Sydney.

There was an incident with someone from northgate back in Nov of 2022-Jan 2023. A male party was harassing Sidney at the Planet Fitness in Northgate. He would air drop her and make comments on her social media. He met her at the gym and it all started with him helping her rack weights.

It is unknown if this incident is related to the recent texts.

Narrative: **09/04/2024 2134 Carey, Patricia**
 As I was returning to my parked unmarked K9 cruiser, I
 observed a Dodge Ram Pickup truck back up and strike a blue
 BMW's front bumper area. I spoke to the operator of the
 pickup truck after he struck the unoccupied BMW sedan and
 advised him that there was some minor damage to the license
 plate of the BMW. The owner of the BMW returned to his
 vehicle and he was advised of the accident. Owner of BMW
 stated that he did not receive any alerts from his vehicle
 about any system damages. I noted that there appeared to be
 a piece of bumper trim popped out from the passenger side.
 BMW owner stated that it was not previous damage. Papers
 exchanged. Owners advised how to file accident report.

occured last night in front of 38 Rumney rd, between 2057 to 2100 hours. A black color suv drove up the wrong way on Rumney and stopped in front of their house. Ms Lizandra Londono Florez was backing her Ford Fiesta into her driveway. This older white male (possible intoxicated) got out of the vehicle and confronted her husband. Telling him that he is Police and that you have to leave from the car. He told him he looked like a fucking latin. He told them to stay there and that he will be back. Ms Florez drove off around the block and when she came back he was gone.
