Mr. Gogo called to report suspicious activity. He stated that 2 white males came to his home and said they were FBI agents investigating a robbery out of Chelsea. They entered the home and started asking he and his wife questions. He stated that the males said a car was used in the robbery that matched the description of his car. The males took Goga outside alone and told him that they were looking for him in particular. They mentioned he was a travel agent and wanted to know if he could book their government travel for them. Goga thought that request was "a little wierd". The male parties left shortly after. Goga was advised to call police immediately if he sees any additional suspicious activity.

Narrative: **09/13/2024 1156 Duca, Joseph**
Mr. Cammarano came to HQ to report that his former tenant, Vincent Frazier, is harassed him through several phone calls to his cell phone and home phone. Cammarano, owner of a home in East Boston, had Frazier evicted from his apartment recently, and filed criminal charges of vandalism against him. Frazier called Cammarano yesterday, Cammarano answered. He could not make out what Frazier was saying but he heard "Good luck, you'll need it". Frazier called back and left a message on Cammarano's home phone stating, "Thanks Albert for taking me to court, I lost my job because of you, now I just got a job and I am going to lose it because I have to go to court. All because I painted pictures on the walls". Cammarano does not want to speak with Frazier. Cammarano was advised to document each incident with police and apply for a 258E restraining order.

 Female came into the station to report that her upstairs
 neighbor's, Maria Nunes, son trespassed in a driveway at 53
 Thorndike St. RP pays extra to have access to the driveway
 and stated Maria is aware it is considered private. I
 watched a video from a security camera that showed Maria's
 son walking the dog through the driveway. RP is concerned
 since she has two vehicles parked there, one being a
 motorcylce that may tip over. Maria is allegedly moving out
 in two weeks. RP wanted this incident documented in case
 things escalate.

Son has not been home in approximately one week, and Suffolk County Juvenile Court has issued a warrant of protective custody for him. Whereas court was closed at the time, Lt. Bettano contacted DCF to determine how to proceed. While waiting to receive a call back from a DCF manager, W-94 (Sgt. Bonvita) made contact and spoke with the son while he was on shift at Woodside Hardare. Sgt. Bonavita reports the son is fine, in good health, and he will come to police headquarters after his shift to voluntarily reunite with the mother.
