Modified By: 10/19/2024 1345 Berkowitz, Giana

RP stated there is an ongoing harrasment issue between her and her cousin Nikolos. She was at Volare on 10/19/24 when she noticed him standing across the restaurant. She purposely switched seats with a friend so she could avoid confrontation with him. He eventually made his way over to where she was sitting and and he began to record her. There were words exchanged between the two. There were also words exchanged between Nikolos and Mafalda's son and she is getting worried this issue will continue.

Mafalda was advised of her 209A rights.
