Female party attached walked in to the Revere Police Department in regard of call number 24-57570. Ms. Margaret wanted to report that everything that Ms. Sullivan reported On incident 24-57570 is a lie. Ms. Margaret states that it is in fact Ms. Sullivan who is harrasing her by standing in front of Ms. Margaret's house, take pictures, and stare at Ms. Margaret's workers that were conducting work in the front porch. Attached party came into police headquarters to report that her vehicle was struck while parked in front of her residence at 82 Beal St overnight. The individual that struck the vehicle did leave his contact information and states he would rather pay for the damage himself rather than go through insurance. RP had the damage assessed by her auto body shop that quoted her \$3,100 for the repair. RP would like this incident placed on record in the event that the individual that struck her vehicle does not pay for the damage and she is forced to seek restitution through insurance.
