She claims that he put nail polish remover in her face lotion. She claims her face has chemical burns from the acetone in the remover. She stated that "people" are getting into her apartment some how, at night, and trying to kill her. She believes her husband has a plan to get paid out on a life insurance policy that he has on her. Although she has no proof or confirmation that one exists. Rosamarinofski stated that approximately 13 years ago, her husband and his sister would talk about getting her social security and life insurance. The sister has since died. Rosmarinofski left HQ but before doing so, I informed her that she will be contacted by someone to follow up.

CALLER IS ON SCENE REQUESTING TO SPEAK TO AN OFFICER DUE TO CLAIMS THAT ACTION IS REFUSING TO INSPECT HER VEHICLE BEFORE SHE PAYS, SHE ALSO STATED THAT THERE IS DAMAGE TO HER VEHICLE THAT WAS NOT PREVIOUSLY THERE, SHE WAS ADVISED IT WAS A CIVLIL MATTER.

Narrative: **11/03/2025 1230 Damore, Michael**

Female was claiming Action Towing caused damage to the left middle side of her back bumper. Action employee showed me pictures taken prior to the vehicle being hooked/towed. It appears that the damage to the left middle side of the back bumper was there prior to the tow. Female was adamant that the picture didn't show the damage. Action printed out a picture of the car prior to towing and allowed female to have a copy of it.

Damage was easier to see on the digital copy as opposed to the printout.

According to Action, female only initially offered to pay \$100 out of a \$180 tow fee. They showed her the digital images of the damage to her vehicle. She then refused to sign to pay and have her vehicle released.

Female was advised this was a civil matter. She ultimately paid to have her vehicle released.

 of a female hitting a male, and the RP had left.
 Patrick Cautillo met at his residence, said he was fine,

nothing going on, no problem, not report anything.

Jennifer Miller related Patrick had a medical episode, and nothing else to report.

Medical aid denied, both were cooperative with identification but they did not want to speak about anything else...

Spoke with the reporting party. Fire Dept made a forced entry to address a fire alarm and the landlord still has not repaired the door so it cannot be locked. No b&e at this time. More than likely the landlord entered the door and took the piece of wood the RP uses to secure the door when

he is home and still hasnt performed any repairs. Also, its very windy today and couldve been blown open.

Narrative: **11/04/2025 1221 Duca, Joseph**
Ms. Vidaure came to HQ to report harassment. She stated
that Danielle Buckley, is posting harassing comments on
social media. 2 paragraphs worth of drama from the lemonade
incident that happened around 2 months ago. The comments are
making her and her daughter feel unsafe and terrified to go
outside. Vidaure is fearful that Buckley is going to get
more aggressive and physically abuse her and her daughter
like she did before. Buckley has also sent people to her
home to start problems and harass her. There was an
incident where an unknown female was outside of her home
screaming that Vidaure is a bitch and a whore, trying to
bait Vidaure to come outside.

There are these incidents as well as the first incident in
regards to the lemonade stand assault that would qualify as
at least 3 separate incidents to apply for a 258E.

Vidaure was advised to apply for a 258E at Chelsea District
Court.

Vidaure was advised

reporting that an airtag tracker notification was picked up
yesterday while she was on the shuttle bus to the airport
from Chelsea. Ms Vanegas stated that she played the sound
from the phone but she could not hear it near her. The
tracker was not on her person and no tracket sound came from
her vehicle. Ms Vanegas called apple who told her to just
turn off notification. Ms Vanegas is concerned that she
received notification of this hours later after its already
been tracking movement for 8 hours. Ms Vanegas needs this on
record.

Mr Santinelli has been driving for UBER for the last 4 years. It was just brought to his attention by UBER that a duplicate account was created 2 year ago using his picture and phone number. The name and all the other information was different. UBER has started using some AI system to identify

duplicate accounts and he was flagged. Mr Santinelli believes that his ex-husband named Gabriel Santiago Santinelli opened this account. The account was never used for UBER. Mr Santinelli has never opened this duplicate account. He needs this report for UBER in order for him to be reinstated.
