Moawwad came into the station to report fraudulent activity on his AMEX/CBNA account. He became aware of this through an Experian credit report. According to Experian, there is a \$4800 past due balance on the AMEX/CBNA account. Moawwad is unsure exactly when these charges occurred, but said they were at least 3 months ago. His financial advisor advised him to come to the station and document this identity fraud. Logging this incident in the system for documentation purposes. Party was advised to follow up with AMEX regarding the charges.

Phone message received on Traffic Line:

Reported to be tailgating and changing lanes unsafely.

I spoke with the complainant who described a Healey Bus Co. school bus plate 20303 as the driver tailgated other vehicle and made unsafe lane changes.

I called Healey Bus company about the report and it was confirmed no students were on the bus.

I send an email to Healey Bus Co. which this matter will be handled by the company itself.

D9 OFF ON A FOLLOW UP
Narrative: 11/07/2024 1020 Arsenault, Dennis
RPD received a tip about terroirstic threats involving a male party identified as Daniel Floyd (DOB 04/27/1987). Calling party stated he believes party lives in Revere. RMV showed an address of 110 School Street in Revere. Another address of 9100 Westheimer Road Ste. 135 in Houston Texas 77063 was also listed for Daniel.

Det. Ohara, Det. Caramanica and I responded to 110 School street in Revere and met with Daniel's mother, Rosemarie. She reported that Daniel has lived in Texas for about a year now, and has not been to Revere. I confirmed his current address as 9100 Westheimer Road Ste. 135 in Houston Texas 77063. I contacted Houston Police to make them aware of the threats that were made, as this party resides in and the threats originated from Houston Texas.
