 Narrative: **11/11/2025 1054 Duca, Joseph**
 Ms. Gibbs came to HQ to report vandalism to her MV. She stated that her Silverado was wrongly towed from her driveway and in the process it was damaged. The MV was about to be towed when Gibbs went outside to stop it. This happened on September 25th. The tow truck operator ended up moving the MV over slightly, in the driveway. Gibbs has been having issue with her neighbor Joe Parzel, who believes that Gibbs's MV is parked on his property. A land survey proved that this is not the case. There was signifigane damage to the MV most likely during the attempted tow. The damage is a large scratch and a dent to the rear driver side of the truck bed. Gibbs was advised to contact the tow company to attempt a fair and reasonable resolution.

reporting that she is being harassed by a manager named Desiree Luliano. This started over a month ago. When the cleaning crew for her room is cleaning, they told her they can only give her 1 toilet paper for the week. She has had to buy more of her own toilet paper and cleaning supplies. The cleaning crew also only cleans for 30 min a week instead of the prior 1 hour. The cleaning crew has told her that their new manager told them to do these things. Also on labor day, the electricity went overnight and did not come back till about 4pm that day. Ms Linardon stated that she was in the room without AC. Ms Linardon called the front desk asking for someone to bring her out of her room. Ms Linardon is handicap and needs help to leave her room. Ms Linardon stated that she felt like she was burning up and felt light headed. Ms Linardon stated that she feels that this is done intentionally due to the ongoing court case.

Autumn has an ongoing issue with the tenants in Apt 1. There is an issue with the heating system in the house and she is working on fixing it. Today she had a plumber come to the house to look at the heating system. The tenant was recording her and the plumber and threatening to call the police. Autumn came to the station and had a call log generated on 11/7/25 (25-62729). I explained to her what a 258E Harassment Prevention Order is. She will call back or come back to the station if this continues.
