 Ms. Rodrigues-Correia would like to report that an officer
 on scene violated HIPAA law by getting her personal
 information (Name, DOB, Etc.) from her prescription at Pearl
 Vision. Officers were on scene for a disturbance involving
 Rodrigues-Correia. An employee also told her that she
 "didn't want to pay for it", meaning the glasses that she
 got. The glasses were supposed to be transitional and they
 were not. That is how the argument started. Rodrigues-
 Correia considered that comment to be discriminatory. She
 wants it known that she did not shove anybody or physically
 touch anyone in the office, like she was accused of nor did
 she threaten anyone.

 Narrative: **11/18/2025 1041 Duca, Joseph**
 Mr.Chiquillo came to HQ to report that he was bringing his child, Emma, to school to the Rainbow Learning Center earlier today, and noticed that his ex-wife, Melanie Dubon, was parked across the street. Chiquillo picked Emma up at HQ for parenting time this morning. Dubon has an active restraining order against Chiquillo. Dubon had no reason to be at the school at this time. Chiquillo believes that Dubon was there to capture video of him dropping Emma off at the school, after Dubon told Chiquillo not to. According to Chiquillo, he stated that Dubon informed him that Emma will only be going to school 3 days a week instead of 5. Dubon told Chiquillo that Emma was not doing well in school and she is disrupted, and it was because Chiquillo picks her up at 12pm instead of 1pm when the day ends. Chiquillo picks her up early because the students end the day with lunch from 12pm-1pm and he wants to maximize parenting time with her. Chiquillo spoke to Emma's teacher and she confirmed that Emma is doing extremley well in school and has no issues.
 Chiquillo wanted this incident documented for probate court purposes.

Narrative: 11/19/2025 1320 Duca, Joseph
Ms. Singer came to HQ to report harassment. She stated that the male party in her building, Jose Equilin of apt 408, has been harassing her. She stated that on 11/15/2025, Equilin made a comment to her in the hallway after a disagreement and a small argument. He stated, "you better keep in check or your going out in a body bag". He then lifted his shirt up and brandished what appeared to be a black gun in his waistband. According to Singer, Equilin has had issues with several of the residents in the building. This incident in particular has put Singer in fear for her life. I advised her to document any additional incident that occurs with police. I informed her that once obtaining 3 separate incidents, she may apply for a 258E Harassment Order. Singer was also advised to inform the Revere Housing Department of the incident.
