Location/Address: [REV 1509] MARKET BASKET - 275 SQUIRE RD  
Narrative: 11/24/2025 1509 Malone, Thomas  
Mr. Revelles emailed the Department on November 12, 2025 wishing to report the following alleged harassment incident: "Due to safety concerns and ADA-related reasons, I cannot appear in person at the station and must submit this request in writing. On November 12, 2025, at approximately 6:08 PM, I completed a grocery purchase at Market Basket (Store #074). While waiting in the checkout line, a Market Basket employee stood less than two feet behind me and made repeated hand signals toward the opposite end of the cashier area near the cafeteria. After I paid for my groceries, I exited the store and walked toward my bicycle. While I was untying the bicycle before bagging my groceries, the same employee followed me outside, approached me from behind, and demanded that I "show the receipt." This employee had been directly behind me in the checkout line and had observed the entire transaction, so there was no reasonable basis for this confrontation. His actions-following me outside, approaching me from behind, and demanding proof of purchase-caused significant concern for my safety, especially given my 209A status.I then re-entered the store and reported the incident to the manager, Eric Torres, and showed him photographs of the employee. This behavior constitutes harassment in a public accommodation, involving an employee following and confronting me outside the store without justification".

RP, a teacher with Winthrop Schools, came into police headquarters to report that a former student from 20 years ago (see attached information) had made a post on facebook stating: "This ugly woman...talked bad about me when I was in 6th grade speaking words of hate and ignorance. She deserves to be exposed for the ugly she is." I advised the RP that nothing stated in the post amounted to a crime, but advised her of the procedure to obtain a harassment order pursuant to MGL 258E. The post in question was subsequently deleted
