Narrative: 11/25/2024 1708 Damore, Michael
Male party came into the police station regarding advice for his 17 year old son (Simuel). Simuel disrespects his mom (Monica) and sometimes displays erratic behavior. Recently, Simuel smashed a ceramic plate over his head while arguing with his mom. He has never struck mom, but has pushed her in the past. I advised Giovanni (RP) that I would reach out to a School Resource Officer to see if they can follow up with Simuel about possible problems he may not want to discuss with his parents.

her child away from her. Female stated her ex was simply at
her apartment earlier in the day. No domestic assault took
place, no threats, etc. Male has no access to her apartment
or building for that matter. At this time, this incident
does not rise to the level for an emergency restraining
order. Female was advised to seek out a restraining order at
Chelsea Court tomorrow and follow up with DCF. Call log
entry only at this point.

Mr. Espinisapa came to HQ to report a 3rd incident of harassment by John Buccelli. Espinisapa stated that on this past Wednesday, around 11pm, Buccelli stopped the elevator door from closing, while Espinisapa was in it, and stated, "you live hear for free". Buccelli kept the door from closing so the elevator would not move. This is an ongoing issue concerning harassment by Buccelli and Espinisapa was advised to take the incident documentation to court on Monday and file a 258E.
