 Modified By: **12/02/2024 1829 Damore, Michael**

Attached female (Vilma) came into the station to report harassment from her next door neighbor (Jan). On 11/29, Vilma had been parked in the vicinity of 34 Hall St waiting to pick up her sister. She was blocking a fire hydrant with her vehicle, but not blocking any driveway. Jan was trying to get his vehicle out of his driveway. Given where Vilma was parked and the size of Jan's truck, it was difficult for him to get out of the driveway. He asked her to move, she refused. He then tried to leave the driveway and sideswiped her back bumper. The two then had an argument over the situation. It should be noted that I was the Officer who responded to the accident/argument. I helped both parties exchange paperwork. I told Vilma the easiest solution would be to drive around the block while waiting for her sister. I told Jan not to argue with his neighbors and to call the police if there is ever an issue regarding his driveway being blocked.

Tonight, Vilma wanted to report that Jan tried to intentionally hit her with his vehicle and that he was intimidating her by revving his engine.

I told Vilma that she made not mention of intimidation or the fact that Jan tried to intentionally hit her with his vehicle on 11/29. Vilma told me that she did tell me that all of this and that I didn't remember.

At no point during my interaction with Vilma on 11/29 did she mention that she felt intimidated or that Jan purposefully tried to hit her with his vehicle.

I remember multiple members that lived in the area telling me that the above happened all the time regarding Jan and his truck. However, no one ever mentioned feeling threatened, intimidated, afraid, etc.

I advised Vilma this call log would be entered into the system and that after 3 documented incidents with Jan, she could try and get a harassment order against him.

Narrative: **12/02/2024 2136 Damore, Michael**
On 11/30/24 at approximately 11:40pm, Officer Pizzi was walking into the station using the exterior rear door near the roll call room. While approaching the door, there was a trash barrel without a cover on it. A rat came up from inside the barrel as Officer Pizzi was walking past it. The rat startled Officer Pizzi as he was caught off guard. He jumped up to his left and landed awkwardly of his left foot. As his foot hit the ground, Officer Pizzi felt a sharp intense pain in his left calf muscle. He could not walk without feeling pain in his left calf. He informed Lt Zagarella who placed him on prisoner watch for the duration of his shift dues to Officer Pizzi's inability to perform his routine patrol duties. After his shift, Officer Pizzi went to the emergency room at Melrose Wakefield Hospital for medical treatment.
