 Ms. Caprio came to HQ to report that a woman named Maria Porreca is using her tenant's address as her residential address to obtain Massachusetts residency to collect medical and other state benefits. Porreca had stopped Caprio's mail from being delivered for about a month so that she could have a duplicate license sent to a PO Box without Caprio knowing. Caprio had previously intercepted a falsely addressed driver's license in the mail which she turned into police. Caprio has started the eviction process on her current tenant and will be filing a police report with the Postal Police.

 Narrative: **12/19/2025 0749 LOBO, JOAO**
 This unit on sighted a 2 car mva. Vehicles pulled into the lot by the basketball courts.

Narrative: **12/19/2025 0809 Lucero, Paul**

Both vehicles travelled on Revere Beach Pkwy where the Subaru cut in front of the Volkswagen which then the vehicles collided.

Operator of the Subaru said he changed lanes and the other vehicle drove fast.

Operator of Volkswagen said the other driver cut in front of her and caused the crash. Operator of the Volkswagen said the other driver committed road rage where he chased her then cut in front of her. I informed this operator that she would have to report the matter to the state police as it had occurred on a state road.

Narrative: **12/19/2025 0810 Lucero, Paul**

I exchanged paperwork, both advised to do crash report where the damage was minor. Both parties were not happy with one another.

Clear, no crash report...

 Mr. Camilo was involved in a hit and run (case 25-69180ac) on this past Sunday. He had left the scene, police were called, and one car was towed, Ms. Tostes's. Camilo came back to the scene and made contact with her husband and told him that he would pay for the damages. Camilo left his phone number to work out a deal. After several days of trying to contact him, they finally did. Camilo said that he did not have the money to fix the damage and hung up. Tostes would now like to go trough her insurance but has no information in regards to the truck he was driving. She did not get a plate, but it was a green pick-up truck.

Cory came into the station to report that he has been being harassed and stalked by gangs in various areas of MA. He did not feel safe at home today so he just left. He mentioned that his father was acting weird. Cory believes that Christian Twiman, Andrew Luciano, George Clark, Jack Clark (no relation), Kayla Pinto (ex gf), Richie DiMartino, as well as 21 SAVAGE and DRAKE (the rappers) are involved in him being stalked. Narrative: **12/19/2025 1858 Damore, Michael**
 Modified By: **12/19/2025 1912 SEGOVIA, KENDRICK**

Garry came into the police station with his cousin in Revere to report that his cousin, Ketheleine, has been having ongoing domestic issues with her husband, Wilfred Juste. He constantly tries to kick her out of their home in Norwich CT. He finally kicked her out on 12/17. She took an Uber to be with her cousin Garry in Revere. Wilfred recently contacted Garry and said he wants his two children back and that he is coming to Revere to get them. Ketheleine does not feel safe in Revere. She needs a police report to assist with housing. I advised her and Garry that any crime reported happened in Connecticut so the Norwich Police need to be notified. Logging this into the system to document that Ketheleine was here and does not feel safe in Revere. Gary was reporting this issue on behalf of his cousin because she does not speak english.

	12/20/2025 1718 Damore, Michael		
	Ms. Linardon came into the station to once again make a complaint about the Holiday Inn Express staff, specifically a Desiree Luliano. Ms. Linardon made claims that Desiree told the cleaning staff they are only to clean her apartment one day a week for no more than 1/2 hour. As soon as 1/2 hour hits, they are to stop cleaning. They are also ordered to leave the door to her room open and if they do not, Desiree apparently threatened to write them up. Ms. Linardon stated that she knows that Desiree stands outside her room all the time and listens to whatever is going on in the		

room. Ms. Linardon said that there is an excessive amount of dust in the room. She also said that Desiree intentionally rooms other patrons in the room above Ms. Linardon's and has the guests stomp on the ground. Ms. Linardon stated that she has trouble sleeping and has had numerous health issues as a result of being targets from Desiree. I advised Ms. Linardon that with this being the 3rd documented incident of harassment, she can attempt to get a harassment order against Desiree at Chelsea District Court.... Ms. Linardon said she is desperately in search of other housing options. She has had difficulty given the fact that she is in a wheel chair. Referring to BHU for possible assistance with housing.
