Maryam came to the station to get a restraining order
against her father. She stated there was a history of abuse,
but at this time she does not want to file a report but only
wanted to get a restraining order. Female party was advised
of her rights and stated that she will be going to Chelsea
District Court to get the restraining order. I explained
that it would be a good idea for her to file a report to
document the abuse and pursue criminal charges if
applicable. She stated that she would consider this, and
stated she would return if she was interested in filing a
police report.

Narrative: 12/19/2024 1108 Leslie, M, Matthew
RP states he was in the back of an uber northbound on Revere Beach Blvd. RP stated the detail was not directing traffic and then the officer refused to give badge ID when prompted.

Sgt. Leslie spoke with Ofc. Delloiacono and Ofc. D. Crevoiserat. Ofc. Delloiacono stated he and Ofc. D. Crevoiserat are on opposite ends of the cone setup directing traffic. The cones are set up to split the northbound and southbound sides. Ofc. D. Crevoiserat and Ofc. Delloiacono stated a vehicle drove on the left side of the cones into the southbound side of traffic flow, hit 3 cones and almost hit a Caruso employee. Ofc. D. Crevoiserat stopped the vehicle to explain the infraction when he was contacted by the rear seat passenger of the uber. Ofc. D. Crevoiserat

continued to interact with the operator of the vehicle who was the party who conducted the infraction. When the rear passenger asked for Ofc. D. Crevoiserats badge number he stated he gave it to him and sent the operator and passenger on their way.

I conducted a conversation with the reporting party as well as both officers separately and determined no wrongdoing on the officers part. Both officers told me the same account of the incident. While speaking with the reporting party I asked what type of outcome he was looking for and he stated for the officer to be spoken to and attend more training as well as be suspended but appeared to be content with me investigating the matter.

There is no wrongdoing or misconduct on the officers end and the incident was a result of the uber driver, not the complainant who virtually had no involvement other than being a passenger. Nothing further to investigate.

 Female party came into the station in an attempt to seek out an emergency RO. She had a domestic in Manchester NH yesterday where her boyfriend, Terence Lee, was arrested. I called Manchester PD to see if Terence was held. He was not. However, a condition of his bail was not to contact Niesha, to stay away from her, not to abuse her, etc. Essentially, bail conditions were the same as RO conditions. Niesha was happy with these bail conditions and did not want to move forward with an ERO at this time. I advised her to go to Chelsea Court on Monday for a restraining order so that all

future court dates are in Chelsea as opposed to NH.

Ms Polanco stated that she recieved a call from a truck
repair shop in Mississippi this past thursday regrading her
truck having the repairs completed. Ms Polanco stated to
them that she does not operate her buisness outside of
massachusetts and that she did not drop any of her company
truck for repairs. Ms Polanco was sent a picture of the
truck including a handwritten paper that was attached to the
side of the truck containing her company info and DOT
number. Ms Polanco stated that she has received some toll
charges over the past 6 months thinking that those were just
some errors. It appears that someone has been using this
truck with her information of her buisness attached to the
side of it.

Narrative: 12/26/2024 0947 Patrizzi, Guido
Mark reports that on or around 12/6 he responded to an ad on Craigslist regarding an available apartment in North Andover.
Mark and the landlord, "Walter Panovs", exchanged a series of emails discussing the apartment. After some time, "Walter" sent a lease agreement over to Mark which he signed. During this period, Mark sent "Walter" a total of \$7800 via Venmo. It was believed that these transactions were for Security Deposit, First/Last months rent, etc.
Mark never physically saw the apartment in person.
Mark realized this was a scam when "Walter" kept asking for more money. Mark and his father then called a Listing Agent for the building about what was happening who confirmed the scam.

A Lilliana Arboleda (DOB: 12/04/1998) came into the station to drop off items for a Joel Acosta (DOB: 03/28/1991). An incident occurred where Lilliana rented her 2024 Volkswagon Taos (NH REG: 5453710) on "Turo". "Turo" is a company that lets individuals rent out their vehicle. Lilliana rented her vehicle to a friend of Joel. The vehicle was never returned. Lilliana tracked the vehicle to Encore in Everett. Lilliana retrieved her vehicle at that time. Lilliana then took her car to a dealership in Lowell to be detailed. While parked at the dealership, the Volkswagon was broken into. Joels items were stolen from the vehicle that Joel left behind. Lilliana already reported this with Lowell PD (Lowell PD Report # 24-20550.

Today, Lilliana bought Joel new items to help Joel with the items that were stolen. Lilliana bought Joel a new Iphone, Charging Bank, Charging Cord, and Screen Protector.

Just as Lilliana left the station, Joel came to the station to pick up the items that Lilliana bought for him. Joel was advised to contact Lowell PD for any further questions. This incident will be documented as items were exchanged at the station.
