Narrative: 12/23/2025 0641 Marks, D, Daniel
RP= Adrian Maloy (DOB: 08/21/1997) came into the station to report an incident he had in vegas with a girl he was dating in Nevada.

Narrative: 12/23/2025 0700 Marks, D, Daniel
Adrian stated the he had been dating a girl from Nevada for two months. Adrian intended to fly out to see her from 12/20/25-12/24/25. Adrain identified this female as Farrah Mae Echavarria (DOB: 08/19/1999). Adrian flew out to Vegas to see her on 12/20/25. Adraina and Farrah stayed at her place once he landed. During the course of the night, Adrian was sleeping. He woke up to a phone call from his mother but could not find his phone. He then noticed that Farrah had his phone and he found that to be odd. The next day, Farrah texted him and asked him to leave and did not want him to stay anymore. Adrian then flew out the following day to come home on 12/21/25. Just before flying home, he confronted Farrah (via text) and asked what she was doing on his phone during that few hours stretch that he was sleeping. Farrah initially denied having his phone or doing anything specfic on his phone. Then she send him a message that she was not on his phone, but "probably did get the nuclear codes" on his phone. Farrah did not admit to anything specfic but Adrian found this response to be odd and wanted this incident documented. Adrian did not notice anything out of the ordinary in his accounts or money withdrawn from any of his bank accounts. Adrian was advised to monitor and change all the passwords to all of his accounts. Adrian will forward his to Nevada PD for their documentation/investigation as well.

Narrative: 12/28/2025 1138 Duca, Joseph

Ms. Kenney came to HQ to report that her neighbor's placed secret cameras in her apartment. She had an EMG meter app on her phone and she showed me the meter increasing when she placed the phone near:

a piece of christmas garland
a light fixture that was attached to her cabinet
a small pink christmas tree

She is convinced that there are tiny cameras installed in these items as well as other items in her home that she cannot get to. She stated that her neighbors are conspiring against her to make her move out of the building. She has spoken to Lt. Azzari about the issues she has been having. At this time she was advised that there is no way of determining if there are cameras installed in the items and perhaps a detective would be able to further assist.
