Community Integration provides traditional case management services to eligible adults with a mental illness.

Counseling Services provides individual, group, and intensive outpatient counseling for mental health, co-occurring, and substance use disorder treatment.

Also offered to clients receiving services:

- Comprehensive assessment
- Psychiatric evaluation
- Specialized counseling services for those re-entering the community from incarceration or on probation

Medication Assisted Treatment (MAT) and **Medication Management Services (MMS)** services are provided for individuals seeking medication supported treatment.

Opioid Health Home Services (OHH) provide a multidisciplinary, harm reduction approach to support individuals and families affected by opioid use. OHH's recovery process supports individuals in achieving optimal emotional and physical wellness through medication management, individual and group counseling support, nurse care management, peer support, and care coordination.

Representative Payee Services are provided through Catholic Charities Maine, as authorized by the Social Security Administration, to receive and manage Social Security or Supplemental Security Income (SSI) benefits on behalf of a beneficiary who is unable to manage their own finances. We work with clients to ensure their basic living needs are met, help with budgeting and establishing savings funds, and support clients' financial management in their best interests.

Residential Substance Use Disorder Treatment:

St. Francis Recovery Center is dedicated to bringing health, recovery and stability to the lives of men aged 18 and older. The Center provides individual and group clinical counseling in a drug- and alcohol-free residential environment staffed with 24-hour support coverage.

Freedom Place offers safe, supportive housing for up to 38 women while working on recovery from trauma, substance use, and other physical or emotional health challenges. Residents receive guidance, encouragement, and access to services that help them stay on the path to wellness. The program welcomes women from many walks of life — including those overcoming substance use, homelessness, domestic violence, previously incarcerated, or other difficult experiences — while creating a strong, recovery-focused community.

WE ARE CATHOLIC CHARITIES.

Each day, the employees and volunteers of Catholic Charities Maine come to the aid of the poor and vulnerable across the state of Maine. We see the faces of people suffering from mental illness, hungry children and families, those fallen victim to loneliness and isolation, those battling substance use disorders, anxious refugees, and thousands of others who desperately need help and hope.

A faith-based, non-profit organization, we have been serving the poor and vulnerable populations of Maine since 1966. From food banks in Aroostook to child care in York County, our network of 400+ professionals and 500+ volunteers helped more than 28,000 of our neediest neighbors last year, answering want with generosity and replacing despair with hope.
