serves as an attractive online version of the new-book shelf, but one that spans all library branches, includes items that are checked out, and comes by convenient email. By showcasing the latest arrivals and allowing patrons to click through directly to the library website, Wowbrary makes it easy to scan quickly what's new and encourages greater library use.

Signing up to receive weekly emails

Go to <https://www.wowbrary.org> and type your ZIP code in the upper left box. Then hit the Go button. Wowbrary will display Bentley Memorial Library and other area libraries. Check Bentley, enter your email address and then click submit. You will start receiving updates within a week of the library's latest purchases.
