

Bentley Memorial Library uses **MuseumKey** to enable patrons to conveniently check out passes to local museums. Patrons may sign out a museum pass on their mobile, tablet, laptop or desktop and print from home or the library. Visit our website to select your choice of museum and the date you wish to visit. Some museums will accept a screen shot of your reservation, but Bentley strongly encourages you to call the museum ahead of time to verify or simply print your own pass at home or the library.

PLEASE NOTE: *Passes for different attractions have varying restrictions and days and hours of operation.*

We recommend you call or visit the museum's website to review their current policies. Some museums require preregistration.
