

Bolton Aquifer Protection Agency
Legal Notice

The Bolton Aquifer Protection Agency, at its August 14, 2024 special meeting, approved renewal the existing registrations for Christopher Laplante, 200 Boston Turnpike (Comcast), conditioned on:

1. Only (G) Car or truck washing (unsewered) is renewed as this activity was previously registered and renewed. An updated Sheet #4 shall be resubmitted showing only (G) checked.
2. (D) Repair of maintenance of vehicles or internal combustion engines of vehicles is not a registered activity and therefore is not renewed as part of this application. A new permit application to add a regulated activity to a registered facility is required to conduct this activity. Any on-premises vehicle repairs and maintenance shall cease until such permit is applied for and granted.
3. An updated Sheet #6 shall be resubmitted showing all boxes checked, even if they are N/A, which indicates that the subject facility is in compliance with all applicable best management practices.

and to expire on August 1, 2029.

Dated at Bolton, CT, this 15th day of August, 2024.
