The BLRWPCA Board held its public hearing on Wednesday, April 30, 2025, at 6:30 P.M., with Dan Champagne presiding, and in attendance were Jessica Webb, Robert Morra, and Richard Hayes, while Cheryl Udin, John Kleinhans (Town of Vernon Administrator) via zoom.

Not Present: Jim Rupert.

1. Call to Order.

The public hearing was called to order at 6:40 P.M.

2. FY 25-26 Budget Business

The board has historically, prior to the approval of a budget, there would be a public hearing to inform the community on what the board will be doing. After looking at operating expenses and revenues, the board is proposing a budget that will have no increase for any EDU's. This is due to cost savings that have been implemented, which have allowed the board to maintain the same level of service with no additional cost. The board then asked if there were any questions concerning the budget request. Seeing none from members of the board nor from members of the public, Richard Barger proposed a motion to approve budget request.

Motion: Richard Hayes made a motion to approve, as presented, the Bolton Lakes Regional Water Pollution Control Authority Budget for 2026.

2nd: Robert Morra

Vote: Unanimous

3. Adjourned.

Public Hearing ended at 6:44 P.M.

Respectfully Submitted,

Joshua Hull
