1. Call to Order.

R. Morra called the meeting to order.

2. Old Business: Consider and act upon the letter from 166, 180 Boston Turnpike; regarding a reduction in fees.

Motion: I move the BLRWPCA Board to reduce the fee from 8 EDUs to 2 EDUs and potentially reduce it to 1 EDU when the trailer becomes unoccupied. And when they reinstall the apartments or trailers, the board will add the additional EDUs to their billing.
