The current motor vehicle levy collected was at 71.05% with the percentage of interest and fees collected at 8.31%. The members also reviewed the tax collection summaries for June and July 2021. Tax bills mailed in July 2021 were based on the temporary mill rate set by the BOF. The supplemental tax bills will be mailed to residents in January 2022. S. Pierog said the supplemental bills are on the town website and can be paid now.

4.b Town Update: E. Bradley reported the town's unaudited revenue statement as of June 30, 2021 is 100.33% expended. She said the August 2021 statement will be available for the next regular meeting. R. DePietro MOVED to approve sending the following resolution to town meeting with the intent of going to referendum:

Town of Bolton

The appropriation may be spent for acquisition, equipment, consulting and testing fees, costs related to any application for and acceptance of available grants, legal fees, net interest on borrowings and other financing costs and other expenses related to the project and its financing. The Board of Selectmen shall determine the scope and particulars of the project and may reduce or modify the project scope; and the entire appropriation may be expended on the project as so reduced or modified.

(b) That the Town issue its bonds or notes in an amount not to exceed SIX HUNDRED THIRTY THOUSAND DOLLARS (\$630,000) to finance, in part, the appropriation for the project. The bonds or notes shall be issued pursuant to Section 7-369 of the General Statutes of Connecticut, Revision of 1958, as amended, and any other enabling acts. The amount of bonds or notes authorized to be issued shall be reduced by the amount of grants received by the Town for the project and not separately appropriated to pay additional project costs. The bonds or

notes shall be general obligations of the Town secured by the irrevocable pledge of the full faith and credit of the Town.

(c) That the Town issue and renew its temporary notes from time to time in anticipation of the receipt of the proceeds from the sale of the bonds or notes for the project. The amount of the notes outstanding at any time shall not exceed SIX HUNDRED THIRTY THOUSAND DOLLARS (\$630,000). The notes shall be issued pursuant to Section 7-378 of the General Statutes of Connecticut, Revision of 1958, as amended. The notes shall be general obligations of the Town secured by the irrevocable pledge of the full faith and credit of the Town. The Town shall comply with the provisions of Section 7-378a of the General Statutes if the notes do not mature within the time permitted by said Section 7-378.

(d) The First Selectman and the Treasurer or Deputy Treasurer of the Town shall sign the bonds or notes by their manual or facsimile signatures. The law firm of Pullman & Comley, LLC is designated as bond counsel to approve the legality of the bonds or notes. The First Selectman and the Treasurer or Deputy Treasurer are authorized to determine the amount, dates, interest rates, maturities, redemption provisions, form and other details of the bonds or notes; to designate one or more bank or trust companies to be certifying bank, registrar, transfer agent and paying agent for the bonds or notes; to provide for the keeping of a record of the bonds or notes; to designate a municipal advisor to the Town in connection with the sale of the bonds or notes; to sell the bonds or notes at public or private sale; to deliver the bonds or notes; and to perform all other acts which are necessary or appropriate to issue the bonds or notes.

(e) That the Town hereby declares its official intent under Federal Income Tax Regulation Section 1.150-2 that project costs may be paid from temporary advances of available funds and that the Town reasonably expects to reimburse any such advances from the proceeds of borrowings in an aggregate principal amount not in excess of the amount of borrowing authorized above for the project. The First Selectman and the Treasurer or Deputy Treasurer are authorized to amend such declaration of official intent as they deem necessary or advisable and to bind the Town pursuant to such representations and covenants as they deem necessary or advisable in order to maintain the continued exemption from federal income taxation of interest on the bonds or notes authorized by this resolution if issued on a tax-exempt basis, including covenants to pay rebates of investment earnings to the United States in future years.

(f) That the First Selectman and the Treasurer or Deputy Treasurer are authorized to make representations and enter into written agreements for the benefit of holders of the bonds or notes to provide secondary market disclosure information, which agreements may include such terms as they deem advisable or appropriate in order to comply with applicable laws or rules pertaining to the sale or purchase of such bonds or notes.

(g) That the First Selectman, the Treasurer or Deputy Treasurer, the Board of Selectmen, the building committee or committees as established from time-to-time by the Board of Selectmen for the project, and other proper officers of the Town are authorized to take all other action which is necessary or desirable to complete the project, to apply for and accept grants for the project, and to issue bonds or notes to finance the aforesaid appropriation.

(h) That, subject to the approval of the appropriation by the Board of Finance, following a Special Town Meeting, the resolution be submitted to the Town electors for approval or disapproval at a referendum on November 2, 2021 between the hours of 6:00 a.m. and 8:00

p.m., and that the warning of said referendum shall state the question to be voted upon as follows:

"Shall Town of Bolton appropriate \$810,000 for the acquisition of an engine tanker fire truck for the Bolton Volunteer Fire Department and authorize the issue of \$630,000 bonds and notes to finance, in part, the appropriation?"

Voters approving said resolution will vote "Yes" and voters opposing said resolution will vote "No". Absentee ballots will be available from the Town Clerk's office.

The warning shall also state that the full text of the resolution is on file, open to public inspection, in the office of the Town Clerk, that the vote on the resolution is taken under the authority of Sections 8.6 (D) 1 and 8.8 (B) 3 of the Charter of the Town of Bolton, and that absentee ballots will be available in the office of the Town Clerk.

FURTHER RESOLVED, that, in their discretion, the Town Clerk is authorized to prepare a concise explanatory text regarding said resolution and the Board of Selectmen is authorized to prepare additional explanatory materials regarding said resolution, such texts and explanatory material to be subject to the approval of the Town Attorney and to be prepared and distributed in accordance with Section 9-369b of the Connecticut General Statutes.

The Town shall have perpetual succession and may hold and exercise all the powers and privileges heretofore exercised by the Town and not inconsistent with the provisions of this Charter, the additional powers and privileges herein conferred, and all powers and privileges conferred upon towns by the Constitution and General Statutes of the State of Connecticut.

Section 1.2 RIGHTS AND OBLIGATIONS

All property, both real and personal, all rights of action and rights of every description, and all securities and liens vested or inchoate in the Town as of the effective date of this Charter shall continue to be vested in the Town. The Town shall continue to be liable for all debts and obligations of every kind for which the Town shall be liable on this date. Nothing herein shall be construed to affect the right of the Town to collect any prior and/or future assessment, charge, debt or lien. If any contract has been entered into by the Town prior to the effective date of this Charter or any bond or undertaking has been given by or in favor of the Town which contains a provision that the same may be enforced by any commission, board, agency or officer therein named, which is abolished by the provisions of this Charter, such contracts, bonds or undertakings shall continue in full force and effect, and the powers conferred and the duties imposed with reference to the same upon any such commission, board, agency or officer shall, except as otherwise provided in the Charter, thereafter be exercised and discharged by the Select Board.

Section 1.3 GENERAL GRANT OF POWERS

In addition to all powers granted to towns under the Constitution and General Statutes or which may hereafter be conferred, the Town shall have all powers specifically granted by this Charter and all powers fairly implied in or incident to the powers expressly granted, all powers conferred by special acts of the General Assembly, not inconsistent with this Charter, and all other powers incident to the management of the property, government and affairs of the Town including the power to enter into contracts with the United States Government or any branch thereof, the State of Connecticut or any agency or other body politic or corporate not expressly forbidden by the Constitution and General Statutes. The enumeration of particular powers in this and any other chapter of this Charter shall not be construed as limiting this general grant of power but shall be considered as an addition thereto. This Charter shall be the organic law of the Town in the administration of local affairs.

(C) Failure to Adopt the Budget.

1. In the event that the budget is rejected by the Annual Budget Referendum, additional Annual Budget Referenda shall automatically be held in succeeding intervals, in a manner deemed appropriate by the Select Board, of no less than seven (7) and no more than twenty-one (21) days until such time as a budget is approved by a majority vote. Each time a budget is rejected, the Finance Committee in consultation with the Select Board and/or Board of Education shall forthwith revise the total budget. In revising the total budget, the Finance Committee may revise the total appropriation for each of the following: the Select Board operating budget, the Board of Education operating budget, the contingency fund, the debt service, and the capital improvement budget. In revising the budget after any Budget Referendum, the Finance Committee may only recognize revenue changes that resulted from errors or omissions, current estimates of surplus, and clerical errors. Summaries of the revised budget shall be available before the next Referendum on the Annual Budget is held.

2. If the Budget Referendum fails to approve a budget by the start of the ensuing fiscal year, a temporary operating budget will be utilized.

(D) In the event the budget is not approved by the start of the ensuing fiscal year, the Finance Committee shall meet and set a temporary tax rate at a rate no higher than the mill rate for the previous year. The Tax Collector shall forthwith issue tax bills, subject to an appropriate credit or refund, in the event the final mill rate as set is less than previously set by the Finance Committee pursuant to this section. In the event that the mill rate exceeds the temporary mill rate, the Tax Collector shall be empowered to issue a supplemental tax bill during the fiscal year.

(E) Levy and Collection of Taxes. Following approval of the annual budget, the Finance Committee shall meet and establish the tax rate on the taxable property of the Town sufficient, in addition to the other estimated yearly income of the Town and with due provision for estimated uncollectible taxes, abatements and corrections, not only to pay the expenses of the Town but also to absorb any deficit at the beginning of the ensuing fiscal year. It shall then be the duty of the Tax Collector to mail to each taxpayer a tax bill. Except as otherwise specifically provided in this Charter, the assessment of property for taxation and the collection of taxes shall be carried on in accordance with the General Statutes. In the event additional revenues become available to the Town after approval of the budget, the Finance Committee may apply the additional revenue to reduce the mill rate.

(A) Transfers of Appropriations - Board of Education.

The Board of Education may transfer unexpended balances from one account to another within its total appropriation in accordance with the General Statutes.

4. The Finance Committee may approve, lower or reject, but may not increase the amount of any supplemental appropriation upon which it is acting. The Finance Committee shall act on all requests for supplemental appropriations, and/or transfers within forty-five (45) days of receipt of such request.

5. The Finance Committee shall pass on to a Special Town Meeting for final action, supplemental appropriations exceeding 0.2% of the Total Expenditure Amount and supplemental appropriations of less than that amount which, when added to supplemental appropriations previously approved in the current fiscal year for a particular commission, board, agency or office, exceed 0.2% of the Total Expenditure Amount.

(D) Supplemental Appropriations - Town Meeting Action.

1. Special Town Meeting may approve, lower or reject but cannot increase a supplemental appropriation properly brought before it, provided, however, that a referendum shall be required if the requested supplemental appropriation is greater than 2.0% of the Total Expenditure Amount and the source of funds is other than the Reserve Fund For Capital and Nonrecurring Expenditures. When referendum is required and the source of funding is borrowing, both the supplemental appropriation and the proposed borrowing shall be included on the ballot for voter consideration.

2. Supplemental appropriations which are rejected by the Finance Committee may be brought to Town Meeting for approval, reduction or rejection pursuant to the procedures and voting requirements of Section 9 of this Charter.

(E) Emergency Appropriations.

The Select Board, acting pursuant to a declaration of a state of emergency, shall be empowered to make appropriations for the purposes of meeting a public emergency threatening the lives, health or property of citizens, provided such appropriations shall receive a favorable vote of at least two thirds (2/3) of the members present of the Select Board. Written notification of such appropriations shall be given within four (4) business days to the Finance Committee at its Town address and a copy thereof posted as required by law.

Section 8.7 RESERVE FUND FOR CAPITAL AND NONRECURRING EXPENDITURES

(A) General Purpose. There shall continue to be a reserve fund for capital and nonrecurring expenditures which shall be called the Reserve Fund For Capital and Nonrecurring Expenditures for the purpose of this Charter. Said fund shall be used for capital and nonrecurring expenditures to provide for the planning, construction, reconstruction and/or the acquisition of any capital improvement, including land, or the acquisition of any specific item of equipment of such category, character or nature as not to be a purpose or object for which an appropriation is customarily made annually.

(B) Capital Acquisition Planning and Allocation. It shall be the duty of the Finance Committee to assemble a list of capital projects to be funded in the ensuing fiscal year and a list of anticipated projects for the following four (4) fiscal years. Such report shall be submitted to the Select Board by January 31 as the proposed Capital Budget for the Select Board to accept, modify or reject. The Select Board in consultation with the Board of Education shall submit a Capital Budget to the Finance Committee as part of the overall budget no later than March 15.

(C) Operation of the Fund.

1. Upon recommendation of the Finance Committee and approval of the Annual Budget Referendum or at a Town Meeting, and subject to any minimum funding requirement or any aggregate limit on the Reserve Fund For Capital and Nonrecurring Expenditures, there shall be paid into the Reserve Fund For Capital and Nonrecurring Expenditures the following amounts:

(a) amounts authorized to be transferred thereto from the general fund cash surplus available at the end of any fiscal year, and

(b) amounts raised by the annual levy of a tax of not less than one (1) mill, or more than four (4) mills for the benefit of the Reserve Fund For Capital and Nonrecurring Expenditures, and for no other purpose, such tax to be levied and collected in the same manner and at the same time as the regular annual taxes of the Town.

2. The Finance Committee shall act on all requests for project appropriation requests for the Reserve Fund For Capital and Nonrecurring Expenditures within forty-five (45) days of receipt of such request.

3. Upon recommendation of the Finance Committee, any project appropriation request for the Reserve Fund For Capital and Nonrecurring Expenditures shall be passed on to a Town Meeting for approval unless the project appropriation is adopted as part of the Annual Budget Referendum. Upon approval by a Town Meeting or Annual Budget Referendum, the Select Board may use the project appropriation for the financing in full or in part of the project. If the recommendation of the Finance Committee is to disapprove a project appropriation request for the use of the whole or any part of this fund, such request may be brought to Town Meeting for approval, reduction or rejection of such request pursuant to the procedures and voting and referendum requirements of Section 9.5 of this Charter. No project appropriation of less than 0.05% of the Total Expenditure Amount may be included in the Reserve Fund For Capital and Nonrecurring Expenditures.

(D) Termination of Appropriations from the Reserve Fund For Capital and Nonrecurring Expenditures. If any authorized appropriation is set up pursuant to Section 8.7 (C)(3) and through unforeseen circumstances the completion of the project or acquisition for which such appropriation has been designated as no longer feasible, upon recommendation of the Finance Committee; approval by the Select Board; and approval of Town Meeting, such appropriation shall terminate and may be transferred to another approved project.

(E) Control of Fund. The Select Board and any Town officers who may be authorized to administer the Reserve Fund For Capital and Nonrecurring Expenditures shall have such further powers prescribed by the General Statutes as shall be necessary to administer the Reserve Fund For Capital and Nonrecurring Expenditures.

(F) Discontinuance of Reserve Fund For Capital and Nonrecurring Expenditures. Upon recommendation by the Select Board and Finance Committee, and upon approval at Town Meeting, said Reserve Fund For Capital and Nonrecurring Expenditures shall be discontinued and said fund shall be converted into, or added to, a sinking fund to provide for the retirement of the Town's nonserial bond indebtedness. If the Town has no bond indebtedness at such time, such fund shall be transferred to the General Fund of the Town.

3. Any borrowing and any issuance of bonds or notes, other than as authorized in paragraphs one and two above, shall require a favorable vote at Town Meeting. If, however, this borrowing is greater than 2% in the aggregate of the Total Expenditure Amount, such borrowing shall require a favorable vote at Town referendum.

(C) Other Provisions.

1. In the event that the Finance Committee shall determine that any nonrecurring expenditure included in the annual budget is of so large an amount that the tax levied to pay it would make the total tax so high that in the judgment of the Finance Committee it would be inconsistent with the public welfare, the Finance Committee may authorize, subject to the vote of a Town Meeting or referendum if required under Section 8.8 (B)(3) of this Charter, borrowing such amount and the issuance of notes to be repaid over a period of not more than five (5) years in accordance with the provisions of the General Statutes.

2. All notes or bonds issued by the Town shall be executed and delivered by the First Selectperson and the Treasurer.

(C) The Finance Committee shall keep under review the revenues and expenditures of all Town commissions, boards, agencies and offices as well as the Board of Education and may, by regulations, require periodic reports thereof.

(D) The regulations referenced in Section 8.9(A) may also designate the forms and procedures for orders to be drawn on the Treasurer by the Board of Education and the Select Board.

(E) The Finance Committee shall assemble, compile and publish the annual report of the Town for the preceding fiscal year within 30 days of receipt of the audit from the auditor.

Any construction or acquisition of capital improvements, including land, which is funded from a source other than the Reserve Fund For Capital and Nonrecurring Expenditures shall be deemed to have been abandoned if three (3) fiscal years shall elapse without any expenditure from or encumbrance of the appropriation therefor. Any other annual appropriation or portion thereof, remaining unexpended and unencumbered at the end of a fiscal year shall lapse.

(B) Spending Authorizations. No member of any commission, board or agency and no officer of the Town shall expend any funds or enter into any contract which would oblige the Town to expend funds in excess of an approved appropriation. Any member of any commission, board, agency or any officer who obligates the Town to expend funds in excess of an approved appropriation, except in payment of final judgments rendered against the Town, shall be liable in a civil action in the name of the Town as provided in the General Statutes.

Nothing in this subsection shall be construed as precluding Town commissions, boards and agencies from adopting rules for the conduct of their business not inconsistent with the provisions of this Section.

(B) Meetings/Voting. The meetings of all Town commissions, boards or agencies shall be open to the public. Unless otherwise provided by the General Statutes or this Charter, all actions of any Town commission, board or agency shall be by simple majority vote of the entire membership of said Town commission, board or agency.

3. Matters concerning security strategy or the deployment of security personnel or devices affecting public security;

4. Discussion of the selection of a site or the lease, sale or purchase of real estate by the Town where publicity regarding such project would cause a likelihood of increased price until such time as all of the property has been acquired or all proceedings or transactions concerning said project have been terminated or abandoned; and

(D) Minutes of Meeting. Minutes of all meetings of such commission, board or agency shall include, but not be limited to:

1. The date, time and place of such meeting,

9. The time of adjournment.

(E) Disposition of Minutes. A written record of the votes of each member of such commission, board or agency shall, in accordance with the General Statutes, be filed with the Town Clerk within forty-eight (48) hours, excluding any Saturday, Sunday, or Legal Holiday, of such vote and shall be filed in the appropriate book to be retained in the Office of the Town Clerk within seven (7) days after the date of such meeting.

(F) Access to Minutes. The minutes of Town commissions, boards, and agencies as filed with the Town Clerk's office shall be deemed to be public records and as such, shall be

available for public inspection in accordance with, and subject to, the provisions of the General Statutes.

(G) Schedule of Meetings. All commissions, boards and agencies shall establish a schedule of regular meetings for the ensuing year before January 1st of each year and the Chairman and Secretary shall file such schedule with the Select Board and the Town Clerk not later than January 31st of each year. If at the annual organizational meeting as required in Section 11.1 (A) and (B) of this Charter, any commission, board or agency establishes a different schedule of regular meetings, said schedule shall forthwith be filed with the Select Board and the Town Clerk.

(H) Special Meetings. Special Meetings may be called by the chairman or any two (2) members of any Town commission, board or agency. Whenever special meetings are called, the person or persons calling the meeting shall notify each member of said commission, board or agency of the date, time, place and purpose of the meeting and shall notify the Select Board and the Town Clerk in writing at least twenty-four (24) hours in advance of such special meeting so that such date may be posted for public information.

Each commission, board or agency may establish its own agenda for the transaction of its business; however, included in such agenda shall be a time for citizens of the Town who shall be entitled to express their views concerning matters properly within the jurisdiction of the particular commission, board or agency.

(J) Public Hearing. Whenever any board, commission or agency shall schedule a public hearing, as distinct from a regular or special meeting, on any particular subject, and provision for legal notice of such public hearing is not otherwise provided by law or this Charter, then legal notice of such public hearing shall be given in the same manner as required by the General Statutes with reference to Town Meetings.

(K) Transparency. Each meeting of the Select Board, Board of Education or Finance Committee shall be recorded by audio or video for broadcast and preservation. The Town Administrator shall ensure that all such recordings, minutes and any meeting materials are promptly published on the town website in a reasonably searchable manner and shall remain on the website for a reasonable period of time then permanently archived as required by state law. In the event a board or committee required to record a meeting under this section determines that such recording would be infeasible or impractical for a specific meeting, they may by majority resolution setting forth the reasons for such infeasibility or impracticality waive the requirement to record such meeting.

CHAPTER 12.

REMOVAL / VACANCIES

Section 12.1 SUSPENSION AND REMOVAL

(A) Except as otherwise provided by the General Statutes or this Charter, the Select Board shall have the power to suspend by an affirmative vote of four (4) members, and to remove for cause by an affirmative vote of a supermajority of the members, any appointed Town officer or any member of any appointed Town commission, board or agency. For purposes of this section “cause” shall include but not be limited to (i) repeated absence from attendance at meetings or other responsibilities of the position; (ii) failure or inability to carry out the functions or duties of the position for a period of 90 days; (iii) violation of any provision of the conflict of interest requirements of this charter or any provision of any ethics ordinance of the town; (iv) conviction of a felony or a crime of moral turpitude after appointment to the position or which was not disclosed to the Select Board before appointment to the position; and (v) any other conduct which has substantially impaired the business or operations of the Town or of any board, commission, function or officer thereof or is reasonably likely to do so in the future.

(B) The Select Board shall act first by suspending such person and shall promptly give such person written notice by certified mail or in-hand service of such suspension. Said notice shall state the reasons for such person's suspension and shall set forth such person's right, if acted upon within ten (10) days of the receipt of such notice of suspension, to make written request for a hearing before the Select Board and to be represented at said hearing by counsel. Suspensions must be based on a credible report or allegation of facts from any member or chair of any town board or commission, town officer or employee, member of the public, the Board of Ethics or law enforcement agency.

(C) The Select Board shall then hold a hearing not less than five (5) nor more than twenty (20) days after receipt of a timely request for such hearing.

(D) Upon conclusion of the hearing or, if no hearing is requested, upon termination of the periods within which such person could request a hearing, the Select Board shall terminate the suspension and shall either restore such person to or remove such person from his or her office.

(E) During such period of suspension, such person shall be ineligible to perform the duties of his or her office.

(F) The Select Board shall send by certified mail a letter notifying the member of his or her removal and shall notify the board or commission chairperson of such action.

(A) A vacancy occurring in the office of First Selectperson or on the Select Board, the Registrars of Voters, and the Justices of the Peace, shall be filled pursuant to the processes set forth in the General Statutes.

(B) A vacancy occurring in any other elective Town office, including alternate positions, from whatever cause arising, shall be filled by vote of the remaining members of the board on which such vacancy occurs, but if the vacancy is not filled within sixty (60) days from the time such office becomes vacant, the Select Board shall, within thirty (30) days thereafter, fill the vacancy by appointment. The remaining board or commission members may make an offer to an alternate to fill the vacancy. If filled by an alternate, said vacancy shall be filled by an alternate with the same political affiliation as the member who created the vacancy, taking into account the laws concerning minority representation contained in the General Statutes.

(C) An appointee to a vacancy in an elected office shall serve until a successor is duly elected at either a special election or the next regular Town election and has qualified.

(D) All resignations from any elected Town commission, board, agency or office shall be in writing and shall be submitted to the Town Clerk no later than thirty (30) days prior to the effective date of the resignation, by the Select Board for Town offices or by the chair or head of a Town commission, board or agency for such commission, board or agency.

Town of Bolton

Narrative on November 2, 2021 Referendum Question 1

Q.1. Shall Town of Bolton appropriate \$810,000 for the acquisition of an engine tanker fire truck for the Bolton Volunteer Fire Department and authorize the issue of \$630,000 bonds and notes to finance, in part, the appropriation?

YES _____ No _____

Q1. It has been more than 5 years ago since the fire department requested a new fire apparatus to be added into the Capital Improvement Fund process. This new truck will be put in service to replace a 30 year old fire truck, ET334. This apparatus is the first truck to respond to all type of fires, alarms, hazardous material incidents, motor vehicle accidents, etc. The fire department is looking to duplicate the current truck as the age and the miles/hours show the town has got a lot of use out of this 1993 purchase. The new truck will have an updated Diesel engine with a better emission system, more computerized electronics, air bags, rollover protection, and many more safety features to protect our volunteers. It will be built with a 1,000 gallon water tank, and 1,500 gallons of water per minute fire pump. The hose carrying bed has been redesigned to make it ergonomically easier to pack hose and get the fire hose off the truck during an emergency, thereby reducing potential injuries to volunteer firemen. The new truck will also have more spacious compartments, a proposed aluminum body to resist corrosion, and a cab designed to duplicate the current ladder truck and rescue truck allowing a smooth mechanical transition by fire department operators, standardizing specific steps that need to be done in the cab, saving seconds to mitigate life and property preservation.

Holding off this purchase will likely add 2022 price increases and steel surcharge increases to the town's purchase price.

TOWN OF BOLTON
PUBLIC INFORMATION BROCHURE
BOARD OF SELECTMEN AND CHARTER REVISION COMMISSION
PROPOSED REVISED BOLTON TOWN CHARTER
REFERENDUM DATE: TUESDAY, NOVEMBER 2, 2021

October 1, 2021

Dear Bolton Resident,

This document provides background information on the Proposed Revised Charter. The Proposed Revised Bolton Town Charter is under consideration in a series of ten questions to be voted on at a public referendum to be held in conjunction with the Municipal Election on November 2, 2021.

The following proposed changes to the Bolton Town Charter have been recommended by the Charter Revision Commission and approved by the Board of Selectmen. The proposed changes are not final unless approved by the Bolton voters at referendum. Each of the 10 charter revision questions (Questions 2 -11 on the ballot) is listed below. Following each question is a brief explanation of the changes. Each question will have a yes/no vote on the ballot and acceptance of each provision will be counted and implemented separately.

Question 2. Shall the town charter be amended: (a) to replace the Board of Finance with a Finance Committee composed of two members of the Board of Selectmen, two members of the Board of Education and three elected members at-large, (b) to allow the new Finance Committee to assume the role of the Capitol Acquisition, Planning, and Allocation Committee, (c) to increase the Board of Selectmen from five to seven members with staggered four-year terms, and (d) to prohibit members of the Board of Selectmen from serving simultaneously in other elected town offices?

YES _____ NO _____

Question 2 Explanation.

Change eliminates the current, seven-member Board of Finance and replaces it with a Finance Committee composed of two members of the Board of Education, two members of the Board of Selectmen, one of whom shall be First Selectman, and three elected at large members. Board of Education and Board of Selectmen members would be required to be of different political parties. No member of the Board of Education or Board of Selectmen may serve as an at large member of the Finance Committee. Change eliminates the Capital Acquisition and Planning Committee and assigns the duties to the Finance Committee. Change also increases the size of the Board of Selectmen from five members (including First Selectman) to seven members; provides for staggered terms of First Selectman and Board of Selectmen for four years each. Currently the term of First Selectman and Board of Selectmen is two years, with all members elected at the same time. Change also prohibits any member of the Board of Selectmen from serving on another elected board or commission. Currently this prohibition applies only to the First Selectman.

Question 3. Shall the town charter be amended to change “reduce” to “revise” in the provision relating to a failed budget referendum thereby permitting either an increase or decrease in the proposed budget?

YES _____ NO _____

Question 3 Explanation.

Change allows the Finance Committee to revise the total budget, by proposing either a reduction or an increase to total expenditures after a failed referendum. Current provisions allow for reduction only.

Question 4. Shall the town charter be amended to change the title of Administrative Officer to Town Administrator and to change the role and responsibilities of that position?

YES _____ NO _____

Question 4 Explanation.

Change defines the role of the Town Administrator so the individual will have significant autonomy over day-to-day operations, but with enough oversight by the BOS to prevent overreaching of the Administrator's authority. The new provisions clarify the lines of responsibility and authority among the Town Administrator, First Selectman and the Board of Selectmen. The current provision which requires a vote of four members of the Board of Selectmen to hire or discharge the Town Administrator is eliminated. Termination of the Town Administrator will be handled according to the terms of their employment contract. The title of the position will change from Administrative Officer to Town Administrator (the former is not a widely understood or used term). The current Administrative Officer's job description, adopted by the BOS on August 4, 2016, and employment contract provided the foundations for this change.

Question 5. Shall the town charter be amended to prohibit the Administrative Officer or the Town Administrator, if the change in Question 4 is approved, from serving in organizations including but not limited to Bolton Land Trust, Bolton Volunteer Fire Department, Bolton Parent Teacher Association, Community Voice Channel or holding any other appointed town positions, such as Fire Chief, Emergency Services Director, Fire Marshal or their deputies which may be conflicting with the responsibilities

of the position of Administrative Officer or Town Administrator, as applicable?

YES _____ NO _____

Question 5 Explanation.

Change prohibits the Town Administrator from participating in outside town groups or organizations where a conflict of interest could occur or from holding certain other appointed positions within town government operations. This is a change from current practice where such charter restrictions are not in place, however could be put in place at the discretion of the Board of Selectmen.

Question 6. Shall the town charter be amended to change the title of Chief Financial Officer to Director of Finance?

YES _____ NO _____

Question 6 Explanation.

Change would call the head of the Finance Department the Director of Finance. The change would be in line with the titles of other department heads. The current title for the head of the finance department is Chief Financial Officer.

Question 7. Shall the current thresholds for borrowing and supplemental appropriations in the town charter be lowered, so amounts above 2% of last approved Total Expenditure Amount must go to referendum?

YES _____ NO _____

Question 7 Explanation.

Change will require referendum approval for supplemental appropriations and borrowing in excess of 2% of the total

expenditure amount (currently approximately \$456,000). The current provision for supplemental appropriations and threshold for borrowing that may be approved by town meeting are based the grand list value and have higher numerical values. Referendum approval is intended to allow broader opportunities for resident participation.

Question 8. Shall the town charter be amended to merge the Planning and Zoning Commission and the Inland Wetlands Commission, make members of that combined board, its alternates, and members of the Zoning Board of Appeals and its alternates appointed positions?

YES _____ NO _____

Question 8 Explanation.

Change combines existing Planning and Zoning and Inland Wetlands Commissions into one commission, changes new commission from elected to appointed positions. Changes Zoning Board of Appeals from elected to appointed. Currently Planning and Zoning and Zoning Board of Appeals are elected boards, Inland Wetlands is appointed. Change allows for greater participation in membership without requiring political affiliation and makes it more efficient for applicants who may now have to submit applications to both Inland Wetlands and Planning and Zoning Commissions.

Question 9. Shall the town charter be amended to change how vacancies on appointed boards are filled and the procedure for removal of members of appointed boards?

YES _____ NO _____

Question 9 Explanation.

Change will move all language related to replacement and removal of members of boards and commissions to Chapter 12 of the charter. Change will remove the requirement of replacing regular members with alternates, permitting the appointment of external candidates. Change will provide a definition of removal for cause, requiring credible allegation of facts and remove the existing deemed resignation provision.

Question 10. Shall the town charter adopt gender neutral language and replace the current Selectman/Selectmen terms and pronouns throughout the charter?

YES _____ NO _____

Question 10 Explanation.

Change would adopt gender neutral language throughout the charter, change his or hers to their; change Selectman to Select Person, Board of Selectmen to Select Board. The references to Connecticut General Statutes concerning Board of Selectmen will continue to remain the same.

Question 11. Shall the town charter be amended to make following technical changes:

- a) change the Economic Development Committee from a required to an optional board,
- b) add a definition of Total Expenditure Amount,
- c) change the timing of notices of transfers of special appropriations,
- d) decrease the term of fire commissioners to four years and change the timing of the appointment of said members,
- e) change the timing of the election of chairmen of elected and appointed boards and commissions,
- f) clarify conflict of interest provisions,

- g) change the method of resolving a tie vote to a coin toss
- h) add provisions for posting and recording materials of certain board and commission meetings,
- i) change the timing of the selection of the auditor,
- j) change the provision re the appointment of the treasurer,
- k) add a requirement of a plain language summary of the budget,
- l) change the date of publication of the annual report,
- m) remove references to the judge of probate,
- n) change the definition of a majority of the Board of Selectmen,
- o) allow additions to Board of Selectmen agendas, change the duration of the Temporary Public Building Commission,
- p) and make such other grammatical, stylistic and technical changes as are recommended in the final report of the Charter Revision Commission or are otherwise required to reflect those amendments to the charter that are approved by the electors.

YES _____ NO _____

Question 11 Explanation.

A yes vote will approve all of the following remaining provisions of the Charter.

Letter	Explanation
a	A regional Economic Development Commission (EDC) is being formed, membership on the local commission is low. Board of Selectmen will continue to have the authority to appoint an EDC in the future.
b	Total expenditure information will be required to determine amounts required to go to referendum. Total expenditure will be defined as last approved total budgeted appropriation, including Town Government operations, Board of Education appropriation and Debt service.

c	Change provides for written notice of transfers of unexpended balances to be provided to the Finance Committee prior to its next scheduled meeting. This is in keeping with current practice. Current notice provision is four business days.
d	Change will decrease the term of appointed fire commissioners from 5 years to 4 years and stagger the terms of appointees requiring at least one appointee per year.
e	Change will extend the required timeframe for elected boards and commissions to elect chairman from 45 days each year to two months following each municipal election.
f	Changes add beneficial interest to conflict definition and requires written disclosure of conflicts, and disqualification of conflicted individual in decision process for contracts, transactions and decisions.
g	Changes the order of resolving a tie in an elected position, other than First Selectman, so coin toss is first option. Candidates can still request a special election.
h	Change will require all meetings of Board of Education, Board of Selectmen or Finance Committee to be recorded by audio or video, and require prompt website posting of minutes, recordings and materials for BOS, BOE and BOF meetings, where practical and feasible.
i	Establishes a maximum term of appointment of the town auditor to 4 years, not to extend more than one year past the next regularly scheduled election of First Selectman.

j	Clarifies the Treasurer is appointed by the Board of Selectmen. Treasurer may be appointed or removed by a majority of the Board of Selectmen, and Board may appoint the Director of Finance or Town Administrator as Town Treasurer.
k	Requires the Finance Committee provide a simplified summary of the proposed budget, including a simplified financial statement to the Town Clerk at least 5 days prior to annual budget referendum.
l	Changes publication date of Annual Report to March 15. Current requirement is to publish the annual report by February 1 however audit report is not available until after Feb 1.
m	Remove references to Judge of Probate which is no longer a municipal elected official.
n	Defines supermajority of the Board of Selectmen as the number of votes equal to a majority of all members of a Board or Commission plus one additional vote. Takes into account an increase in the number of Selectmen, if Q2 is approved. Current definition of a majority is three votes and supermajority four votes.
o	Formally allows additions to Board of Selectmen agenda when approved by at least three members at a regular meeting, as is current practice.
p	Permits the Temporary Building Commission to remain in place until the project(s) are completed, rather than current eighteen months life.

q	Allows grammatical, stylistic or technical changes in order to reflect these approved amendments.
